A Week in December by Sebastian Faulks - the Guardian
A Week in December, Sebastian Faulks's tenth novel, came out in September 2009 to considerable press attention. Much of it focussed on his attempt to write a 'state of the nation' book at a time of economic meltdown and admired the ambition and the execution of the idea. It 'could hardly be more timely', said The Times; it is 'unequivocally successful,' said the Guardian and 'perfectly constructed', according to the Telegraph.
