Thousands of business books are published every year-- Here are the best of the best After years of reading, evaluating, and selling business books, Jack Covert and Todd Sattersten are among the most respected experts on the category. Now they have chosen and reviewed the one hundred best business titles of all time--the ones that deliver the biggest payoff for today's busy readers. The 100 Best Business Books of All Time puts each book in context so that readers can quickly find solutions to the problems they face, such as how best to spend The First 90 Days in a new job or how to take their company from Good to Great. Many of the choices are surprising--you'll find reviews of Moneyball and Orbiting the Giant Hairball, but not Jack Welch's memoir. At the end of each review, Jack and Todd direct readers to other books both inside and outside The 100 Best. And sprinkled throughout are sidebars taking the reader beyond business books, suggesting movies, novels, and even children's books that offer equally relevant insights. This guide will appeal to anyone, from entry-level to CEO, who wants to cut through the clutter and discover the brilliant books that are truly worth their investment of time and money.

We'll do this without putting you at risk financially and without the complexity many people associate with running a business. Alright--before we move on, let me address the three "buts" I hear most often... BUT starting a small business takes a lot of time, money, and financial risk! America used to be the land of opportunity; now, we have a world of opportunity! Technology has given us all an incredible gift. And yes, launching a small business takes time. But if you do this properly, you'll pick something you're excited to do! When you are brimming with excitement, you'll have no problem waking up a little earlier. You'll want to chase down your dreams and create a better life for yourself. In this book, you'll learn the tools and processes to make room

for greatness. And best of all, I'll show you how to do this so your effort is up front, while your fruits last for years to come. BUT running a business is complicated! Many businesses are complicated. Complex processes, custom systems, layers of human resources, and teams of accountants abound! But who said businesses need to be complex? The best small businesses are simple! This is why I love the term "money machine." It embodies simplicity. This book will help you avoid the complexities and find the simplest path possible. And finally...BUT it takes someone special to stand out, and I'm not special! If you pick up this book, I think there's a good chance you are special. You are striving for more. You're ready to take control. You're ready to level up your life. Most people won't turn their dreams into reality. But I can help. This book will help you uncover your true drive. You will want to pour your passion into this. You will want to out hustle the competition. You will have the tools to stand out. No more BUTS! I've filled this book with exercises to help you find your passion, generate momentum, and stand out from the crowd. The concepts in this book won't put you at risk, and they won't be complicated. So, the only thing you stand to lose is opportunity. People are taking action every day...now it's your turn.

Selling - the personal interaction between buyer and seller - is a key part of the overall marketing process. However much interest other marketing has generated, selling must convert that interest and turn it into action to buy. In today's market a key issue is to differentiate, to ensure your approach sets you apart from competition. Selling success can be made more certain if you adopt an active approach, understand the way it works, and deploy the right techniques in the right way. This book will help you achieve that success by providing a resource to assist the continuous process of analysis and review that is necessary to create sales excellence. 100 Great Sales Ideas is a book to dip into rather than read all in one sitting. The book contain 100 self contained sales ideas from companies as varied as Raffles Hotel (Singapore), Sony and Amazon, with observations from Cathay Pacific Airways and Waterstone's bookshops, among others. As the author, Patrick Forsyth, States: "One new idea may take you a step forward in terms of results and customer satisfaction; a steady stream of them will secure your future."
