To make a paper football, fold a sheet of paper in half lengthwise and cut along the fold. Next, fold 1 of the strips in half lengthwise, then fold the lower left corner toward the opposite edge. Flip the triangle over to create another triangle and continue folding triangles until you reach the top.

Football Field 3D Paper Craft. contributed by Leanne Guenther. This is one of the simplest types of three dimensional crafts -- you just fold along the dotted lines, add a bit of glue and then arrange the little stand up characters wherever you like. The football field craft comes with a player for the field and a goal post you can add to the endzone.

Football Field Three Dimensional Paper Craft

This football pattern template is an excellent way for children to boost their creativity and making skills. They can make their own football by putting together this craft paper model template.
