**A Century Of Netball+calendar-epidesource**

Netball is an exciting, fast and skilful game of fair contest. It is a game in which two teams of seven players each strive to keep or gain possession of the ball. The team with the ball, through running, jumping, throwing and catching, attempts to move the ball into its goal circle from where a goal may be scored, while the opposing team uses defensive movements and strategies to prevent this and to gain possession.

**Netball Explained—International Netball Federation**

The first codified rules of netball were published at the start of the twentieth century, and from there the new sport spread throughout the British Empire. From the beginning, netball was widely accepted as a sport suitable for women. Domestic netball competitions arose in several countries during the first half of the 20th century.

**History of netball—Wikipedia**

Oosthuizen was the author of the book A Century of Netball and was part of the famous 1995 South African netball team that lost to Australia in the finals in Birmingham. She was part of the management of that team with her daughter, Tessa Halgryn, as a player. Oosthuizen was also one of the founding members of the national championships in 1951.

**Lisa Alexander celebrates Diamonds century**

In conclusion, netball has had a turbulent 120-year history. From its tentative beginnings – not even having a proper name in some parts until the 1970s, it has fought, adapted and made itself a real sporting force in the 21st century.

**A History of Netball—Part 4 of 4—WSP Sports—**

Penny Hopkins explores the development of the game in the twentieth century. In the first part of this series on the history of netball, we saw how netball developed as a sport, as distinct from basketball and basquette. In part two, we look at how and where the sport developed in the twentieth century. A History of Netball Part 2 – By the beginning of the century the sport began to spread across the British Empire (and later the Commonwealth).
