The world speaks English is a six book English course from beginner A1 to pre-intermediate B1 in six clear stages specifically designed for high school students who need to achieve a B1 level. Although primarily aimed at high school grades 6 to 11 the course can equally be utilized by English students of all ages either in educational institutes or for personal use. Learn English with the latest communicative techniques where roleplays and games are at the heart of the process. Produced by native English teachers living and working in South America, each book is a fully integrated student syllabus with free downloadable online audio for classwork and self study.

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

Introducing Language and Intercultural Communication is a lively and accessible introduction for undergraduates who are new to the study of intercultural communication, with a particular emphasis on the language dimension. Incorporating real-life examples from around the world and drawing on current research, this text argues against cultural stereotyping and instead provides students with a skill-building framework to enhance understanding of the complexities of language and intercultural communication in diverse international settings. Readers will learn to become more attuned to power relations and the ways in which sociopolitical forces can influence language choice/attitudes and the intercultural communication process. Features new to this edition include: Revised in-text discussion questions and the introduction of multiple exercises and examples that aim to engage students and provide a more interactive experience; New material that takes account of key social, cultural, and political events such as the refugee crisis, Brexit and the rise of populism in many parts of the world Updated theoretical constructs that reflect recent trends in this area of study such as criticality in intercultural communication An updated Companion Website featuring suggested readings, links to media resources and real-world intercultural scenarios for students, as well as additional in-depth instructor resources featuring test materials, PowerPoints, key terms, extended chapter outlines, and sample assignments and syllabi Refreshed references and glossary to enhance understanding of key terms and concepts. This is the essential text for undergraduate students who are new to the field of intercultural communication.

The inspiration for the Netflix original series Mismatched! Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called "utterly charming!" Eleanor & Park meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she's more than ready for a break from her family, from Mamma's inexplicable obsession with her finding the "Ideal Indian Husband." Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn't have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he'll have to woo her—he's totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn't mean to start turning the wheels on this "suggested arrangement" so early in their children's lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

Presents involving, contemporary themes integrated within a grammar syllabus aligned with the CEFR and Cambridge English (Key, Preliminary and First) plus Trinity (ISE 0, I and II) exams.

A feel-good novel for fans of A Man Called Ove and The Rosie Project, about an eccentric, language-loving bachelor and the cat that opens his eyes to life's little pleasures The Silver Linings Playbook author Matthew Quick: "A delightfully absurd, life-affirming celebration. I literally stood up and cheered as I read the last page." When Samuel, a lonely linguistics lecturer, wakes up on New Year's Day, he is convinced that the year ahead will bring nothing more than passive verbs and un-italized moments—until an unexpected visitor slips into his Barcelona apartment and refuses to leave. The appearance of Mishima, a stray, brindle-furred cat, becomes the catalyst that leads Samuel from the comforts of his favorite books, foreign films, and classical music to places he's never been (next door) and to people he might never have met (a neighbor with whom he's never exchanged a word). Even better, the Catalan cat leads him back to the mysterious Gabriela, whom he thought he'd lost long before, and shows him, in this international bestseller for fans of The Rosie Project, The Solitude of Prime Numbers, and A Man Called Ove, that sometimes love is hiding in the smallest characters.
