" The Address Book is a deeply-researched dive into the surprising histories and meanings that lie behind the seemingly mundane way we name our streets and number our houses and buildings. Deidre Mask provides powerful insight into the ways these addresses not only structure our lives but function as a tool to classify and track people, reflecting the enduring divides of class, race, and power.

HOWEVER all of that being said, it is a hardcover book with very thick card-stock paper compared to standard notebooks. The colors are lovely muted pastels on the inside, and the floral designs are very crisp on the page. Extremely well made with a very clean design. Would definitely recommend this quality, beautiful address book.
