For our purposes, the account provides a key ingredient when considering Althusser ' s thinking about school law. In On the Reproduction of Capitalism, Althusser begins his account of law by stating generally that law is formal, systematic, and largely governs the exchange of commodities and issues related to that exchange. Law is formal because it stands apart from moral, ethical or other perspectival condemnation: the law is the law, whether one agrees with it or not.

"Ideology and Ideological State Apparatuses " is an essay by the French Marxist philosopher Louis Althusser. First published in 1970, it advances Althusser's theory of ideology. Where Karl Marx and Friedrich Engels posited a thinly-sketched theory of ideology as false consciousness, Althusser draws upon the works of later theorists such as Antonio Gramsci, Sigmund Freud and Jacques Lacan to proffer a more elaborate redefinition of the theory. Althusser's theory of ideology has remained influenti
