Amazon Web Services (AWS) originally launched with SOAP support for

Acces PDF Amazon Web Services For Dummies

interactions with its API, but it has steadily deprecated (reduced its support for, in other words) its SOAP interface in favor of REST. The best recommendation for any use of the AWS API is that you

Acces PDF Amazon Web Services For Dummies

focus on using REST. That way, you won't end up with programs that someday stop working – long after you've forgotten the details of the interaction mechanisms.

Overview of Amazon Web Services

Unlike most of its competitors, Amazon builds its hardware infrastructure from commodity components. Commodity, in this case, refers to using equipment

Acces PDF Amazon Web Services For Dummies

from lesser-known manufacturers who charge less than their brand-name competitors. For components for which commodity offerings aren't available, Amazon (known as a ferocious negotiator) gets rock-bottom

guide! As the largest cloud computing platform in the world, Amazon Web Services (AWS) provides one of the most popular web services options available. This easy-to-understand guide is the perfect introduction to the

Acces PDF Amazon Web Services For Dummies

Amazon Web Services platform and all it can do for you. You'll learn about the Amazon Web Services tool set; how different web services (including S3, Amazon EC2, and Amazon Flexible Payments) and

Acces PDF Amazon Web Services For Dummies

Glacier work; and how you can implement AWS in your organization. Explains how to use Amazon Web Services to store objects, take payments, manage large quantities of data, send e-mails, deploy push

Acces PDF Amazon Web Services For Dummies

notifications, and more from your website Details how AWS can reduce costs, improve efficiency, increase productivity, and cut down on expensive hardware investments - and administrative headaches -

Acces PDF Amazon Web Services For Dummies

in your organization

Includes practical examples and helpful step-by-step lists to help you experiment with different AWS features and create a robust website that meets your needs Amazon Web Services For Dummies is

Acces PDF Amazon Web Services For Dummies

exactly what you need to get your head in the cloud with Amazon Web Services!

Easily get your head in the Cloud with Amazon Web Services With Amazon Web Services (AWS), you can do

Acces PDF Amazon Web Services For Dummies

everything from backing up your personal hard drive to creating a full-fledged IT department in the Cloud. And while major corporations like Adobe and Netflix have turned to AWS for their Cloud computing needs, it

Acces PDF Amazon Web Services For Dummies

isn't just for private companies. Amazon Web Services For Dummies is the singular resource that shows real people with real businesses how to use on-demand IT resources to help their companies grow. If

Acces PDF Amazon Web Services For Dummies

you're like most people just getting their feet wet with this service, your first question is likely to be, "How do I get started with AWS?" This book answers that question—and a multitude more—in language you can

Acces PDF Amazon Web Services For Dummies

understand and shows you how to put this Cloud computing service to work for you right away. AWS is immense and, naturally, intimidating, but with the help of this book, you'll peel back its many layers in

Acces PDF Amazon Web Services For Dummies

no time! Provides overviews that explain what tasks the services perform and how they relate to each other Offers specific paths to follow in order to obtain a particular installation result Gets you started

Acces PDF Amazon Web Services For Dummies

without making a huge investment Reduces the risk of failure by ensuring you understand available options as part of the configuration and usage process Stop wasting time and resources on hardware and software

Acces PDF Amazon Web Services For Dummies

that's quickly outdated. Get started with AWS today!

Everything you need to get running with IaaS for Amazon Web Services Modern businesses rely on Infrastructure-as-a-Service

Acces PDF Amazon Web Services For Dummies

(IaaS)—a setup in which someone else foots the bill to create application environments—and developers are expected to know how to write both platform-specific and IaaS-supported applications. If you're a

Acces PDF Amazon Web Services For Dummies

developer who writes desktop and web applications but have little-to-no experience with cloud development, this book is an essential tool in getting started in the IaaS environment with Amazon Web Services. In Amazon Web

Acces PDF Amazon Web Services For Dummies

Services For Developers For Dummies, you'll quickly and easily get up to speed on which language or platform will work best to meet a specific need, how to work with management consoles, ways you'll interact with

Access PDF Amazon Web Services For Dummies

services at the command line, how to create applications with the AWS API, and so much more. Assess development options to produce the kind of result that's actually needed Use the simplest

Acces PDF Amazon Web Services For Dummies

Virtualization has become a “megatrend”—and for good reason. Implementing virtualization allows for more efficient utilization of network server capacity, simpler storage

Acces PDF Amazon Web Services For Dummies

administration, reduced energy costs, and better use of corporate capital. In other words: virtualization helps you save money, energy, and space. Not bad, huh? If you're thinking about "going virtual" but

Acces PDF Amazon Web Services For Dummies

have the feeling everyone else in the world understands exactly what that means while you're still virtually in the dark, take heart. Virtualization for Dummies gives you a thorough introduction to

Acces PDF Amazon Web Services For Dummies

this hot topic and helps you evaluate if making the switch to a virtual environment is right for you. This fun and friendly guide starts with a detailed overview of exactly what virtualization is and

Acces PDF Amazon Web Services For Dummies

exactly how it works, and then takes you on a tour of the benefits of a virtualized environment, such as added space in overcrowded data centers, lower operations costs through more efficient

Acces PDF Amazon Web Services For Dummies

infrastructure administration, and reduced energy costs through server consolidation. Next, you'll get step-by-step guidance on how to: Perform a server virtualization cost versus benefit analysis Weigh

Access PDF Amazon Web Services For Dummies

server virtualization
options Choose hardware for
your server virtualization
project Create a virtualized
software environment Migrate
to—and manage—your new
virtualized environment
Whether you're an IT manager

Acces PDF Amazon Web Services For Dummies

looking to sell the idea to your boss, or just want to learn more about how to create, migrate to, and successfully manage a virtualized environment, Virtualization for Dummies is your go-to guide for

Acces PDF Amazon Web Services For Dummies

virtually everything you need to know.

Hone your analytic talents and become part of the next big thing Getting a Big Data Job For Dummies is the ultimate guide to landing a

Acces PDF Amazon Web Services For Dummies

position in one of the fastest-growing fields in the modern economy. Learn exactly what "big data" means, why it's so important across all industries, and how you can obtain one of the most sought-after skill

Acces PDF Amazon Web Services For Dummies

sets of the decade. This book walks you through the process of identifying your ideal big data job, shaping the perfect resume, and nailing the interview, all in one easy-to-read guide. Companies from all

Acces PDF Amazon Web Services For Dummies

industries, including finance, technology, medicine, and defense, are harnessing massive amounts of data to reap a competitive advantage. The demand for big data professionals is growing

Acces PDF Amazon Web Services For Dummies

every year, and experts forecast an estimated 1.9 million additional U.S. jobs in big data by 2015. Whether your niche is developing the technology, handling the data, or analyzing the results, turning your

Acces PDF Amazon Web Services For Dummies

attention to a career in big data can lead to a more secure, more lucrative career path. Getting a Big Data Job For Dummies provides an overview of the big data career arc, and then shows you how to get

Acces PDF Amazon Web Services For Dummies

your foot in the door with topics like: The education you need to succeed The range of big data career path options An overview of major big data employers A plan to develop your job-landing strategy Your

Acces PDF Amazon Web Services For Dummies

analytic inclinations may be your ticket to long-lasting success. In a highly competitive job market, developing your data skills can create a situation where you pick your employer rather than the other way

Acces PDF Amazon Web Services For Dummies

around. If you're ready to get in on the ground floor of the next big thing, Getting a Big Data Job For Dummies will teach you everything you need to know to get started today.
