Introduction to the
Healthcare System

An introduction to the NHS.
The NHS is a complex system,
which can sometimes make it
difficult to understand -
especially working out who
is responsible for what.
It's made up of a wide range
of different organisations
with different roles,
responsibilities and
specialities. These
organisations provide a
variety of services and
support to patients and
carers.

World Health Organization
An Introduction to Medical
Terminology for Health Care
is designed to introduce
medical terms to readers who
have little or no prior
knowledge of the language of
medicine. The latest edition
of this hugely popular
volume retains its effective
approach to learning medical
terminology by breaking
words into their component
parts and applying knowledge
through exercises and
examples from patient care.
