Salvation was the first book in the Angel's Halo Next Gen series by Terri Anne Browning. I read the prelude to Salvation in the Love, Loyalty and Mayhem Anthology, where the profits went to Bikers Against Bullies. It was a worthy cause and a steamy teaser that I couldn't wait to get my hands on Salvation.

NEW COVER Angel's Halo: Entangled Angel's Halo MC Series He was the MC's enforcer. The man to dole out punishments within the club. Men feared him, and so the peace was kept. For the most part. But Spider isn't at peace with himself. There is only one thing in life he wants, and she just stormed back into his life... Willa The moment I saw him, I belonged to Spider Masterson. Now, four years later, I still can't help but want to belong to him. Even after all the pain he has put me through, I couldn't keep my distance. Spider There have been two females in my life that have ever made me feel anything. One was my best friend. The other owned my soul. She'd tattooed her name on my heart the second she had smiled at me for the first time. But the past stands in our way. I know I need to explain that night to her, but once I have her back in my bed, I can't think about anything but making her mine.

New CoverCreswell Springs was a small little town in Trinity Count, California. Population 1,500-maybe. It's a quiet town, with small town values. Its greatest income is the University just outside of the town limits... and the revenue the local Motorcycle Club brings in. Being part of the MC that was Angel's Halo was exactly like being part of a family. A scary, powerful, crazy family. It was also like its own society. There are rules, just as there are in every family, every society. But only breaking one of their rules will leave you in a broken, blood pile on the floor... No one touches Raven Hannigan.RavenI was the MC's only weakness. Or so my father use to tell me as I was growing up. Mad Max Hannigan was once Angel's Halos' president. He made the rules and everyone was expected to follow them or come face to fist with the enforcer...I have spent my life in the middle of the MC. I knew the rules-the penalties for breaking those rules. So I knew what would happen to him if I let him break the golden rule... But I loved him, like I have never loved anyone or anything before. I thought my love would protect him. Of course it hadn't. When our secret was discovered he was beaten. So I shouldn't blame him for leaving me...BashAs the enforcer I knew the consequences. Knew exactly what was in store for me when Raven's family found out that I had dared to break my MC's unforgivable rule. I loved her, so it didn't matter to me. When her oldest brother delivered my punishment I didn't scream. Didn't groan. I took it like the man my MC had made me, and would have done it over and over again if that was what it took to be able to call Raven Hannigan mine. Then my past reared its ugly head and I had a choice to make. One that I have only lived to regret.Taking on the job as Angel's Halos' new president was my second chance. But... would my secrets destroy everything Raven and I once had?

Lessons hard learned last the longest. Creswell Springs biggest manwhore, Raider Hannigan, one of Angel's Halo MC's most notorious members wasn't for me. After years of him holding my heart, I had seen the harsh light of my reality. Raider would never want me or ... love me. With a firm resolve to move on, I wouldn't give in. Only one moment of weakness came back to bite me. Now I had a secret. No one needed to know the depths of it all, especially not him.

Rewind.I hit the rewind button on the old VHS tape that contains my memories, causing the past to scream across my closed lids.Past the nightmare where Enzo Fontana goads me, threatening my family, wanting all the secrets of my MC that I refuse to give him.Past the evil laughter that reaches me even in the sweat-soaked, pain-filled oblivion of near-death sleep.Past the blast I thought would end me, the searing pain of the heat that melted my back, the shattering glass still lodged in parts of my body.Past the months of loneliness because I let the one person I knew I couldn't live without walk out of my life because I knew I wasn't good enough for her.Pause.There she is.Smiling up at me as I lean over her. Kissing her like I have the right to. Like I'm not stealing a moment in time I will have to live off of for the rest of my life.A life that is going to end very, very soon.I'm dying. I can feel the life begin to fade from me. My body, which has been tortured for days, perhaps even weeks-I don't even know anymore-will give up soon.And all I want to do is think about her.That smile. The sweet taste of her lips. The little sounds she made as she gave me the most precious thing any woman could give a man. The love in her eyes in the afterglow.She was mine then.And I would forever be hers."Jos," I groaned, letting the first tear leak from my eyes.

LexaThese feelings I have for Ben can't go anywhere. I'm the Angels Halo MC president's daughter. And he is the sheriff. For both our sakes, I have to keep him away. BenLexa calms the rage that I've struggled with my entire life. I couldn't care less who her father is. Nothing matters but making her mine. Because my broken beauty is where my salvation begins.***You can read the Prelude to Salvation in Love, Loyalty & Mayhem: A Motorcycle Club Romance Anthology-out July 16th-before Salvation releases!***

The beautiful, ethereal creature ran across the road on my way home one night. I nearly hit her and ended up wiping out in the process. A little dazed, I ran after her... And found her in the woods. Dirty and cold from living on the streets for weeks-but still so breathtaking, I was sure I was dreaming her. Delaney is deaf, scared, and on the run from her uncle. But now that I've found her, I won't let anything hurt her ever again. She makes me feel something I've never felt before. This tightness in my chest causes the beast within me to snarl unless she's beside me. She becomes my obsession, my reason to get out of bed in the morning. She makes me want to be...better. For her. I'm never letting this girl go. No matter who tries to take her from me.

One night.That was all we had, all we needed.MilaIt was a chance meeting in a New York City club while I was in town for a wedding. Our paths were never going to cross again.But I lied.One night wasn't enough.LyricNew York City was my dream. Work for the best tattoo artist in the country, build up my own client list, then start my own ink shop wherever I wanted.Then I met Mila.One night. That was what we

agreed. But even as I was telling her goodbye, I was already planning our forever.

Vengeance was something I'd been waiting all my life to deliver. It would be sweet and worth every risk I'd taken to get to this point. I was moments away from pulling the trigger, taking the life of the man who'd cost my father his... And then she was dragged into the room, struggling and fighting for freedom. The moment I set eyes on Tavia, everything changed. Those darker than espresso eyes were full of fear, her mouth so ripe that had once begged me to devour it trembling in fright. She looked up at me through a curtain of thick, long lashes and gasped. "Theo," she whispered, her voice cracking as those eyes I'd fallen hard for filled with tears. "Help me." It was then I realized my Tavia was also his. My enemy's daughter.

Monroe I have a secret. One that will get the man I've been crushing on for years killed if my father ever finds out. My sister says he's a stalker-how else could he know exactly when I'm in trouble and come to rescue me? I don't care. He's saved me over and over again, so I know he doesn't want to harm me. And every time I get so much as a glimpse of him, my heart becomes even more his. Gian Everyone who hears my name instantly thinks I'm a monster. They don't know the real me. The one who hated the men who tried to make me just as evil as them. All I wanted was to burn their empire to the ground. Until I saw her. My precious one. Her family thinks I wanted to hurt her when all I want is to protect her. The scars of my past aren't pretty. They shroud me like a dark cloak, making me feel like the devil I've been cast as. It would taint her sweetness if I let them touch her. But when she disappears on me, I can't hold back any longer.

He calls me his heart. Tells me the only reason he closes his eyes at night is so he can see me in his dreams. Our months apart are torture for both of us, but at least I get to hear his voice every day. Each summer, he's all mine. Every minute he can spare, I'm right beside him, and our families just smile knowingly. Ryan has responsibilities, though. One day, my mafioso prince will be the king. And I will be his queen... Then my brother runs into trouble, and I'm taken as collateral. But the enemy doesn't realize that my brother isn't the one they should worry about. Because, without me, Ryan is heartless. And soon, they will all see what vengeance a Heartless Savage will wreak.
