logical arguments. To make the course content easier to grasp, the schedule provides worksheets and practice sheets to help students better recognize logical fallacies, as well as review weeks for the quizzes and the final. The practice sheets in the back of the book offer practical study for both the final exam and for actual arguments you might encounter online or in the media. FEATURES: The calendar provides daily sessions with clear objectives and worksheets, quizzes, and tests, all based on the readings from the course book.

In this easy-to-read book, Ken Ham gives us a primer in Creation science evangelism using two very different sermons from the book of Acts that were designed to reach two different audiences — the church and the unchurched. Jew and Gentile — to effectively reach the lost. Outlines the social and moral consequences that modern culture 's war on the Bible is having on society Provides helpful insight into understanding how to evangelize to young people Offers guidance on how to ensure churches are properly equipping their members to defend their faith

Updated and upgraded Curriculum. In official teaching, a 'curriculum' (; plural: 'curricula' either 'curriculums') is the designed communication of students with educational subject matter, matters, assets, and actions for assessing the achievement of instructive aims. A biblical and comforting look at one of life's greatest questions, why does God allow suffering.

Go to the heart of this cultural issue! Racism cannot be solved by laws, educational programs, or secular science. It is a sin and only God has the solution. Discussions about "race" are too often confused with political correctness or cultural buzzwords. Yet, it is vital to have this difficult conversation with children in a way they can understand. And God has given us a simple, powerful answer in the Bible. Reveals how biblical history makes clear what science is only now understanding. Addresses cultural differences, people groups, and the science of skin tones. Sweeps away the flawed evolutionary foundation of racism with God's enduring truth! Apologetics powerhouse Ken Ham provides children important insight and a biblical foundation that combats the idea of human "races." From the Garden of Eden to our world today, there is just one race – the human race. Once you understand that, racism loses its power!

The story of Creation and Adam and Eve in the Garden of Eden are familiar Bible stories. But they also present a wonderful opportunity to share important biblical truths with eagerly questioning minds through answers that even the youngest believer can understand. Look inside to learn: How did God create everything from nothing? Why was the first person that God created a boy? Why did God have Adam name the animals? The serpent talked to Eve, so why can't snakes talk today? Children are never short of questions - and now there are answers to some of their most difficult ones
