You've heard
people say "Who
you are matters
more than what
you do". Does
the Bible really
teach that? In
Garden City,
popular pastor
and speaker John
Mark Comer gives
a fresh take on
our calling and

our purpose,
with a
surprisingly
counter-culture
take. Through
his creative and
conversational
style, Comer
takes a good
look at Genesis
and the story of
a man, a woman,
and a garden. He
unpacks God's

creation and his original intent for how we are meant to spend our time. Here, you'll find answers to questions like "Does God care where I work?" "What about what I do with my free time or how much rest I

Where To Download Art Of Being Human By

Richard Janaro
Occasione Nada

The Lost Art of
Being is a
little book
about doing less
and being more.
Capturing the
wisdom of
ancient sages on
how to be happy
and roll with
the Universe, it

Where To Download Art

applies these
sacred secrets
to our busy
modern lives.

Offering direct
teachings
illustrated by
remarkable
personal
insights from
the author's own
experiences, it
encourages the
reader to

Where To Download Art

discover the
immense power of
slowing down,
letting heart
rule head, and
remembering how
just to be. It
is based on the
premise that as
human beings, it
is only when we
look after both
aspects of
ourselves -

Where To Download Art

human being being
– that we can
fully relax into
our lives. It
teaches us how
to over-ride the
mind to get in
touch with our
being and
receive greater
guidance from
the universe.

The author
Jacqui Macdonald

Where To Download Art

explains: “Most of us are ruled by a voice in our head that tells us we need to strive for bigger, better and more. When we believe this story, we lose sight of the fact that we already have a magical

Where To Download Art

connection to
the Universe
that will
provide
everything we
need for
happiness and
success. We
become all
human, no being.
This is the
source of all
stress.” The
book encourages

Where To Download Art

us to release
the need for
incessant -
choosing instead
to pause long
enough to
realise that our
thoughts are not
real. This
allows us to
tune into
Universal
guidance and let
our lives unfold

Where To Download Art

far beyond the
barriers of
convention. The
Lost Art of
Being combines a
short mythical
story,
inspirational
teachings, a
selection of
Q&A's and a
practical
lifestyle guide.
It is funny,

Where To Download Art

full of wisdom
and easy to read
- a powerful
antidote to 21st
century stress,
recalling
ancient secrets
about how to
ease into the
flow of life,
relinquishing
the need for all
effort.
