Assess the length, width, and depth, and any undermining, sinus tracts or tunnels, and redness or swelling. Use a clock face with 12:00 toward the client's head to document the location of sinus tracts. Use the RYB color code guide for wound care: red (cover), yellow (clean), black (debride, removal of necrotic tissue).

Nursing Student Assistance ...*

Nursing fundamentals is a class required by most nursing programs that nursing students take during the first semester of nursing school. This class is also known as nursing foundations, depending on what your nursing program calls it. Many nursing programs split this class into a lecture (which is attended throughout the semester) and then a skills lab and clinical site.
