A GLOBE & MAIL BEST BOOK OF THE YEAR FOR 2012 “ Glover is a master of narrative structure. ” —Wall Street Journal In the tradition of E.M. Forster, John Gardner, and James Wood, Douglas Glover has produced a book on writing at once erudite, anecdotal, instructive, and amusing. *Attack of the Copula Spiders* represents the accumulated wisdom of a remarkable literary career: novelist, short story writer, essayist, teacher and mentor, Glover has for decades been asking the vital questions. How does the way we read influence the way we write? What do craft books fail to teach aspiring writers about theme, about plot and subplot, about constructing point of view? How can we maintain drama on the level of the sentence—and explain drama in the sentences of others? What is the relationship of form and art? How do you make words live? Whether his subject is Alice Munro, Cervantes, or the creative writing classroom, Glover's take is frank and fresh, demonstrating again and again that graceful writers must first be strong readers. This collection is a call-to-arms for all lovers of English, and *Attack of the Copula Spiders* our best defense against the assaults of a post-literate age. Douglas Glover is the award-winning author of five story collections, four novels, and two works of non-fiction. He is currently on the faculty of the Vermont College of Fine Arts MFA in Writing program. Praise for Douglas Glover "So sharp, so evocative, that the reader sees well beyond the tissue of words into ... the author's poetic grace." - The New Yorker "Glover invents his own assembly of critical approaches and theories that is eclectic, personal, scholarly, and smart ... a direction for future literary criticism to take." - The Denver Quarterly "A ribald, raunchy wit with a talent for searing self-investigation." - The Globe and Mail "Knotty, intelligent, often raucously funny." - Maclean's "Passionately intricate." - The Chicago Tribune "Darkly humorous, simultaneously restless and relentless." - Kirkus Reviews

In the tradition of E.M. Forster, John Gardner, and James Wood, Douglas Glover has produced a book on writing at once erudite, anecdotal, instructive, and amusing. *Attack of the Copula Spiders* represents the accumulated wisdom of a remarkable literary career: novelist, short story writer, essayist, teacher and mentor, Glover has for decades been asking the vital questions. How does the way we read influence the way we write? What do craft books fail to teach aspiring writers about theme, about plot and subplot, about constructing point of view? How can we maintain drama on the level of the sentence and explain drama in the sentences of others? What is the relationship of form and art? How do you make words live? Whether his subject is Alice Munro, Cervantes, or the creative writing classroom, Glover's take is frank and fresh, demonstrating again and again that graceful writers must first be strong readers. This collection is a call-to-arms for all lovers of English, and *Attack of the Copula Spiders* our best defense against the assaults of a post-literate age.

Why do we read? What do we cherish in a book? What is the nature of a masterpiece? What do Alice Munro, Albert Camus, and the great Polish experimentalist Witold Gombrowicz have in common? In the tradition of Nabokov, Calvino, and Kundera, Douglas Glover's new essay collection fuses his long experience as an author with his love of philosophy and his passion for form. Call it a new kind of criticism or an operator's manual for readers and writers, *The Erotics of Restraint* extends Glover's long and deeply personal conversation with great books and their authors. With the same dazzling mix of emotion and idea that characterizes his fiction, he dissects narrative and shows us how and why it works, why we love it, and how that makes us human. Erudite and obsessively detailed, inventive, confessional, and cheeky, these essays offer a brilliant clarity, a respite in an age of doubt. They raise the bar.

A 16th-century belle turned Robinson Crusoe, a female Don Quixote with an Inuit Sancho Panza — this is the heroine of the novel that won the 2003 Governor General's Award. Elle is a lusty, subversive riff on the discovery of the New World, the moment of first contact. Based on what might be a true story, the novel chronicles the ordeals and adventures of a young French woman marooned on the desolate Isle of Demons during Jacques Cartier's ill-fated third and last attempt to colonize Canada. In this new readers' guide edition, Douglas Glover's carnal whirlwind of myth and story, of beauty and hilarity brings the past violently and unexpectedly into the present. His well-known scatological realism, exuberant violence, and dark, unsettling humour give his unique version of history a thoroughly modern chill.

One of the only books to treat the whole spider, from its behavior and physiology to its neurobiology and reproductive characteristics, *Biology of Spiders* is considered a classic in spider literature. First published in German in 1979, the book is now in its third edition, and has established itself as the supreme authority on these fascinating creatures. Containing five hundred new references, this book incorporates the latest research while dispelling many oft-heard myths and misconceptions that surround spiders. Of special interest are chapters on the structure and function of spider webs and silk, as well as those on spider venom. A new subchapter on tarantulas will appeal especially to tarantula keepers and breeders. The highly accessible text is supplemented by exceptional, high-quality photographs, many of them originals, and detailed diagrams. It will be of interest to arachnologists, entomologists, and zoologists, as well as to academics, students of biology, and the general reader curious about spiders.

**WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013** The only novel from Alice Munro-award-winning author of *The Love of a Good Woman*--is an insightful, honest book, "autobiographical in form but not in fact," that chronicles a young girl's growing up in rural Ontario in the 1940's. Del Jordan lives out at the end of the Flats Road on her father's fox farm, where her most frequent companions are an eccentric bachelor family friend and her rough younger brother. When she begins spending more time in town, she is surrounded by women--her mother, an agnostic, opinionated woman who sells encyclopedias to local farmers; her mother's boarder, the lusty Fern Dogherty; and her best friend, Naomi, with whom she shares the frustrations and unbridled glee of adolescence. Through these unwitting mentors and in her own encounters with sex, birth, and death, Del explores the dark and bright sides of womanhood. All along she remains a wise, witty observer and recorder of truths in small-town life. The result is a powerful, moving, and humorous demonstration of Alice Munro's unparalleled awareness of the lives of girls and women.

Acclaim for "Structuring Your Novel" "I have long wished for a book like this. "Structuring Your Novel" is so much more than a writing craft book--it's a recipe to help writers structure a deep, meaningful journey for their hero that will captivate readers from beginning to end."-Angela Ackerman, Author of "The Emotion Thesaurus" "There is absolute gold in this book--and I am grateful that the author has a real talent for distilling some of the somewhat clunky information found elsewhere, into really simple-to-understand and easy-to-follow techniques."-Robert Scanlon "This book shows a writer how to structure their novel from beginning to end in a no-nonsense manner. It's fast and easy reading, and MAKES SENSE"-Carrie C. Spencer About the Book Is Structure the Hidden Foundation of All Successful Stories? Why do some stories work and others don't? The answer is "structure." In this IPPY and NIEA-Award winning guide from the author of the bestselling "Outlining Your Novel," you will learn the universal underpinnings that guarantee powerful plot and character arcs. An understanding of proper story and scene structure will show you how to perfectly time your story's major events and will provide you with an unerring standard against which to evaluate your novel's pacing and progression. "Structuring Your Novel" will show you: How to determine the best techniques for empowering your unique and personal vision for your story. How to identify common structural weaknesses and flip them around into stunning strengths. How to eliminate saggy middles by discovering your "centerpiece." Why you should NEVER include conflict in every scene. How to discover the questions you "don't" want readers asking about your plot--and then how to get them to ask the right questions. Story structure has enabled countless bestselling and classic authors. Now it's your turn More Praise for "Structuring Your Novel" "K.M. Weiland delivers another exceptional resource for writers--offering practical guidance on everything from crafting a book's hook to its resolution."-Elizabeth Spann Craig, Author of the *Myrtle Clover Mysteries* ""Structuring Your Novel" will give you the blueprint for making your story more powerful. I'm taking this one with me to my desert island "-Jennifer Ibarra "After finishing the book, I reviewed my own writing and was easily able to see where the story wasn't working, understand why it wasn't, and figure out what I needed to do to fix it."-Abby Geiger More storytelling assistance from K.M. Weiland: *Outlining Your Novel: Map Your Way to Success*--Can outlining help you write a better story?

In his prose fiction, memoirs, poetry, and drama, Thomas Bernhard (1931-1989)--one of the 20th century's most uniquely gifted writers--created a new and radical style, seemingly out of thin air. His books never "tell a story" in the received sense. Instead, he rages on the page, he rants and spews vitriol about the moral failures of his homeland, Austria, in the long amnesiac aftermath of the Second World War. Yet this furious prose, seemingly shapeless but composed with unparalleled musicality, and taxing by conventional standards, has been powerfully echoed in many writers since Bernhard's death in 1989. These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth. Thomas Bernhard's *Afterlives* examines the international mobilization of Bernhard's style. Writers in Italian, German, Spanish, Hungarian, English, and French have succeeded in making Bernhard's Austrian vision an international vision. This book tells that story.

Compares the cultural productions of Canada and the US - literature, but also film, opera, and even theme parks - providing a reassessment of Canadian Studies within a comparative framework.
