Baghdad without a Map and Other Misadventures in Arabia ...

Baghdad Without a Map is just about the perfect book, but one thing would have made it even better--and that is the inclusion of photographs. In fact, this is a criticism I have of almost all of Horwitz's books. But other than that, Baghdad Without a Map is an excellent book and will give the reader a better understanding of the many issues still plaguing the Middle East. The edition I ...
