Those not normally entitled to SSP (such as the self-employed) will receive Employment and Support Allowance. Employment law is a complex area that is full of pitfalls. Getting it right means keeping in touch with developments, thinking out your policies and implementing them with care. Getting it wrong could be extremely expensive.

Comply with basic employment law | Business Law Donut

So what is employment law? Employment law governs over the duties and rights between employers and employees. Typically referred to as labor law, these rules were mainly created to make sure that employees are safe and treated correctly. Nevertheless, the rules are also there to protect employers' interests too. Employment law is based on state and federal constitutions, administrative rules, legislation, and court opinions.
