The book includes details on more than 250 occupations that's 90 percent of the jobs available in the United States. It also includes job search methods and job outlook. Keep up in the scramble to stay afloat in the waning job market by staying informed as you plan your training and career.

A Practical Guide to Equal Employment Opportunity, a comprehensive two-volume set, is the only EEO compliance manual you'll ever need.

The RIGGING HANDBOOK is a clear, illustrated reference source for rigging professionals, crane operators, and others that perform rigging and hoisting operations. This handbook essentially represents the working notebook of the author. It is based on material used by him in the construction and repairs of turbine generators and other power plant components over the past 28 years. This handbook provides concise, simple answers to rigging situations that may otherwise appear complex in nature. The notes explain and illustrate some of the basic and complex problems associated with a wide variety of rigging situations.

The Cal/OSHA Pocket Guide for the Construction Industry is a handy guide for workers, employers, supervisors, and safety personnel. This latest 2011
