Having trouble talking to God? You're not alone. We know we can talk to God, but it just sounds so important, so intimidating, so religious. We assume that only the very spiritual talk to him or hear from him directly. But author Sheila Walsh says, "Every sound we utter, every thank you we say, every tear we cry in God's presence is prayer." Get Off Your Knees and Pray is a real woman's guide to real prayer?from understanding the biblical basis for prayer to cultivating a vital personal relationship with God. It is the perfect blend of practical advice, personal stories, and biblical truth to encourage and help you achieve greater intimacy with God through prayer. Prayer is not just a few sentences we say while on our knees. It is living out our ongoing, every-moment commitment to God. "Sheila steers us away from prayer as formula (say the right things the right way and God responds) and toward prayer as picture?a picture of God's desired relationship. Talking. Listening. Trusting. Living. This volume, warm and witty like its author, deserves a spot on every reading calendar." ?Max Lucado, best-selling author and minister "No matter what kind of difficulty you have about prayer, this book will help. Sheila has experienced all of them, and she will take you through them to where God has taken her: straight into His very real and accepting Presence." ?Dr. Henry Cloud, speaker and coauthor of Boundaries

"If we could have scored one more run than the White Sox in each game, I think we would have won the series"---so opined Boston manager Terry Francona. Sharp observations such as this have brightened the Red Sox Nation through the years. "All literary men are Red Sox fans," said John Cheever. And while the Red Sox made it to the top of the baseball world in 2004 after a long and tortured history, presidential hopeful John Kerry remarked, "If anything prepares you to be president, it's being a Red Sox fan"---even though he ultimately failed to reach his goal. The franchise that has gone from dynasty to dud and back to dynasty has inspired its share of comments from pundits and wisecrackers, legends and toffs. And the Sox have had their own world-class quipsters and philosophers, from Cy Young, Bill Lee, and Ted Williams to Jimmy Piersall and Manny Ramirez. Collected here are the best-known, wittiest, pithiest, and most entertaining writings, quotes, and quips relating to the Red Sox, accompanied by a rich collection of historic and modern photographs.
