Even Enjoyable) **Biology Research Paper Format Samples**

A biological research paper is a form of communication in which the investigator succinctly presents and interprets data collected in an investigation. Writing such papers is similar to the writing in other scientific disciplines except that the format will differ as will the criteria for grading.

Biology Research Paper Format

Structure of a biology research paper. All good research papers contain the following structures as they keep the thought process in line with what the paper aims to achieve. Keep this in mind when drafting your outline: 1. Title. The title of your paper should be an opening statement or question based on the topic of the paper. 2. Abstract
