Bird mortality is generally
highest in the first year
after hatching, and
ornithologists estimate that
80-90 percent of baby birds
do not live to maturity.

Consider that one mated pair of birds may raise multiple broods that could add up to 15-20 or more new birds each year; if mortality was not dramatically high, bird overpopulation would be a serious issue.

Bird Lifespans and Life Expectancy - The Spruce

Currently, the site focuses on the beginning and end of Parker's life. The years from 1940 to his death are not currently included on the site as this period of his life is very much a 'muddied track' and have been covered in greater detail elsewhere. It is hoped that Bird Lives may

...

The High Life is a Scottish situation comedy written by and starring Forbes Masson and Alan Cumming as Steve McCracken and Sebastian Flight. Cumming and Masson met at the Royal Scottish Academy of Music and Drama and united after several solo projects to create the theatrical BBC sitcom, The High Life. The two leads were
