BookRiot! The first book in a scifi retelling of the Mahabrahata. When Esmae wins a contest of skill, she sets off events that trigger an inevitable and unwinnable war that pits her against the family she would give anything to return to. In a universe of capricious gods, dark moons, and kingdoms built on the backs of spaceships, a cursed queen sends her infant daughter away, a jealous uncle steals the throne of Kali from his nephew, and an exiled prince vows to take his crown back. Raised alone and far away from her home on Kali, Esmae longs to return to her family. When the King of Wychstar offers to gift the

unbeatable, sentient warship Titania to a warrior that can win his competition, she sees her way home: she'll enter the competition, reveal her true identity to the world, and help her famous brother win back the crown of Kali. It's a great plan. Until it falls apart. Inspired by the Mahabharata and other ancient Indian stories, *A Spark of White Fire* is a lush, sweeping space opera about family, curses, and the endless battle between jealousy and love.

its citizens about the history of Africa and its people, The Debt says in no uncertain terms what white America owes blacks—and what blacks owe themselves. In this powerful and controversial book, distinguished African-American political leader and thinker Randall Robinson argues for the restoration of the rich history that slavery and segregation severed. Drawing from research and personal experience, he shows that only by reclaiming their lost past and proud heritage can blacks lay the foundation for their future. And white Americans can begin making reparations for slavery and the century of racial

not even memory remains, only the broken artifacts that a few Makers can reshape into their original uses. What survives is shattered into enclaves—some tiny, some ruined, some wild. Into the gaps between settlements, and onto the Road that connects all human reality and the reality that is not human and may never have been human, have crept monsters. Some creatures are men, twisted into inhuman evil; some of them are alien to Mankind— And there are things which are hostile to all life, things which will raven and kill until they are stopped. A Leader has arisen, welding the scattered

In the universe beyond, his Champions advance—and enforce—the return of civilization. Pal, a youth from the sticks, has come to Dun Add to become a Champion. Pal is a bit of a Maker, and in his rural home he's been able to think of himself as a warrior because he can wield the weapons of the Ancient civilization. Pal has no idea of what he's really getting into in Dun Add. On the other hand, the Leader and Dun Add have no real idea of what might be
