Are you hoping to build your business - grow your audience - using blogging? Have you considered blogging as a method of connecting with the existing audience of a small business? Technical trainer Barb Drozdowich has been blogging since 2010. She has grown her 3 primary blogs to host thousands of visitors each day. She understands how to build an audience and how to build a business using blogging. She supports her family using money earned from her blogs. One of the best ways to connect with an audience and grow an audience is through the use of a blog. A blog can provide entertainment or provide education. A blog can show that you are the "go-to" person for information in your niche. Do you feel uncertain about the technology or what to blog about? How to Build your Business with Blogging is aimed at a beginner to intermediate audience. Barb teaches not only how to set up a blog, but how to turn it into a money-making tool of communication with your audience. She brings several decades of teaching experience and common everyday language to what many see as a complicated subject. In this book you'll discover: How blogging can help to build and improve communication with an audience How to create powerful topics to blog about that generate shareable content and grow your audience How to create optimized blog posts that will get people talking How to maintain, protect & backup your content to keep your site safe for years to come How to monetize a blog and how to understand the actions of your audience Through a series of short & easy to follow chapters, How to Build Your Business with Blogging helps you choose the right platform, understand the technical aspects & get started today. If you like an easy-to-understand book that cuts through the technobabble that exists in many tech manuals, this book is for you! Pick up this great deal today & start blogging right away!

If you want to give yourself a Web presence without spending a lot of time or money, a blog is your answer and this is your guide. Blogs (Web logs) are short, diary-like entries on a Web site that has a chronological, journal format. Fun or informative, but not formal, blogs are easy to set up, maintain, and update. You can share your personal, stream-of-consciousness musings or your expertise on any subject ranging from your family vacation to world peace. This guide helps beginners (even technophobes) get started fast, with the essential info on: The elements of blogs, such as entries, sidebars, categories, comments, and index pages The different types of hosting services, from free to fee and from "turn key" services that are easy-to-use to DIY programs Details on two popular, free "social community" hosted Web services that are ideal for casual bloggers-MSN Spaces and Yahoo! 360 The scoop on Blogger, a popular free hosted service that has some community tools like the social networks, but is basically blog-intensive DIY blogging, covering three of the most powerful and flexible blog programs-Movable Type, WordPress, and Radio Userland Hooking into RSS feeds to distribute your blog entries beyond your site Choosing a newsreader Ways to raise the visibility of your blog and make money from blogging Complete with step-by-step instructions and lots of screen shots, this guide walks you through everything from setting up your blog and posting your first entry to adding photos, audio, and more. It includes the URLs of lots of sample sites to see to give you an idea of blog possibilities. In addition to the essential how-to, it fills you in on: The blogosphere, blog culture and etiquette, snarks, macrolgues, and more Moblogs that let you post entries remotely using your portable computer, PDA, or cell phone Buying a domain through a registrar such as Network Solutions, Register.com, or Go Daddy MP3 blogs, vlogs (videoblogs), photoblogging, audioblogging, podcasting, and more You know you have something to say, whether it's heavy stuff or just your thought for the day. Make your opinions known. Get your photos shown. With Blogging For Dummies, you'll soon be blogging with the best of 'em.

Have you ever felt stuck as a blogger? Do you sometimes feel like the amount of time blogging takes simply isn't worth it?If you've ever felt that your blog sucks because you don't have all the skills you need to run a successful blog, or if you've ever been overwhelmed by all the work that goes into blogging, then the Blogger's Quick Guide to Working with a Team is for you! In this book you'll discover: The benefits of building a team Low and no-cost ways to build a team How to determine whether or not you're ready to build your blogging dream team The best way to decide which blogging tasks to get help with Tips for hiring your first team members How to train your team so you can put things on autopilot and never have to worry about whether or not important tasks are being done properly How to securely share passwords and files with your team members Tips for communicating with your team to keep everyone on the same page How to nurture loyalty in your team members 5 ways to deal with team conflict And what to do when things go wrong Bestselling author Rebecca Livermore knows better than most how to build a blog with the help of a team. Not only does she run a successful blog with the help of her own team members, she's also worked for top bloggers including blogging gurus such as Michael Hyatt, Amy Porterfield, Pat Flynn and Marcus Sheridan. She knows firsthand what it's like to be a team member and what it's like to manage team members of her own. Her unique perspective will help you grow a strong and healthy team that will not only work for you, but that will help you nurture team loyalty from your blogging dream team.

More Than Money Jamey Stegmaier knows crowdfunding. He's a veteran of seven successful Kickstarter campaigns (and counting) that have raised over \$1.4 million, and he's the proprietor of the widely read Kickstarter Lessons blog. In this book he offers a comprehensive guide to crowdfunding, demonstrating that it can be a powerful way for entrepreneurs to grow their businesses by building community and putting their customers first. This book includes over forty stories of inspiring successes and sobering disasters. Stegmaier uses these examples to demonstrate how to (and how not to) prepare for a campaign, grow a fan base, structure a pitch, find new backers, and execute many other crucially important "nuts and bolts" elements of a successful crowdfunding project. But Stegmaier emphasizes that the benefits of crowdfunding are much more about the "crowd" than the "funding." He shows that if you treat your backers as people, not pocketbooks--communicate regularly and transparently with them, ask their opinions, attend to their needs--they'll become advocates as well as funders, exponentially increasing your project's chances of succeeding.
