When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she ' s also the most powerful demon to ever walk the Earth—a once-human creature that other demons now look up to as a deity. Rylie Gresham is Alpha of the last werewolf pack. They ' re hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone ' s trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise ' s former partner James Faulkner: a half-witch, half-angel bent on becoming God. He doesn ' t care what it takes to get into Eden, and the werewolf pack gets trapped at the center of the conflict. Elise will do anything to keep James—or anyone else—from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line trying to save the world yet again...even if it means losing her friends among the werewolves, the man she once loved, and her soul itself. ABOUT SACRIFICED IN SHADOW Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He ' ll have to make a deal with the Devil to save victims that have gone missing—maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She ' s also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln ' s case, and it ' s not just because of his down-home charm. Someone ' s laid a trap for her in Northgate, and she wants to find out who. She ' ll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who ' s trying to blame the murders on werewolves. Only together can they stop the killings—and uncover the secrets buried in Northgate. ABOUT OATHS OF BLOOD Werewolves are immune to every illness and can heal any wound. It should be impossible for one to become possessed by a demon. But that ' s exactly what Seth Wilder is facing: a werewolf gone insane from possession. Elise is in hiding when Seth and Rylie Gresham, Alpha werewolf, arrive seeking her help. She agrees, but everything has its price. What they learn about the possessed werewolf changes everything—Hell and Earth, the pack, and the future of the entire world... ABOUT RULED BY STEEL Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She ' s delved deep into the City of Dis in an attempt to stop the infernal armies—but even the legendary Godslayer is unprepared to face Dis ' s fiercest demons, not to mention the responsibility of liberating the humans they ' ve enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don ' t want to get involved. War is approaching the werewolf sanctuary. If Heaven won ' t help them, he ' ll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to rule by steel...
