"The perfect gift for any new bonsai owner, this charming, compact, beautifully photographed beginner's guide to bonsai from expert Jonas Dupuich covers all the basics to keep your bonsai alive and happy"--

A guide to the ancient Japanese art form of bonsai trees, included are tips on growing and keeping them.

The exquisite art of bonsai is beautifully demonstrated in this authoritative, practical handbook, which takes the reader from a first foray into the world of miniature trees to a level of considerable expertise. The book covers both indoor and outdoor varieties and is full of practical information about cultivation, propagation and pruning. It is a guide both for newcomers to the art as well as for bonsai gardeners with some knowledge of the subject. The handbook describes, in clear text, step-by-step illustrations, and finely detailed photographs, the anatomy and the art of this classic hobby. It describes the rules -- and also describes how they can be broken. It will enable beginners to start their own bonsai collection, whether of home grown or bought trees, and to keep their bonsai healthy and in good shape. It will answer questions for those who already have some experience with bonsai. All the tools and the skills needed are described, and a beautiful photographic compendium displays the top 24 species, both outdoor and indoor. Written by a master of the art, this how-to book is the perfect reference for bonsai owners at many levels of expertise.

The Little Book of Bonsai will make you an instant expert in the art of growing miniature trees. It is packed with myth-busting surprises, the first of which is that growing bonsai really isn't as hard as most people think. In fact, they are no more difficult to look after than other pot plants, and easier than many. This book makes the job even easier by breaking down the subject into three clear sections: Getting Started, Ongoing Care and Species Profiles. Jargon-free text and dozens of photographs and diagrams make this the ideal guide for complete novices, as well as a handy companion for more experienced growers. Whether you want to grow from seed or source an established plant, everything you need to know is contained in this guide, which, like bonsai themselves, is small but perfectly formed.

Bonsai is the art of growing trees in small containers. The Little Book of Bonsai celebrates the secret world of growing and owning bonsai.
