In the tradition of *About a Boy* comes a feel good sports and holiday novel from #1 New York Times bestselling author Mike Lupica. Josh Cameron has it all: a World Championship ring with the Boston Celtics, an MVP award, a clean-cut image, and the adoration of millions. What he doesn't have is family. Until the day 12-year-old smartaleck Molly Parker confronts him in a parking lot and claims to be his daughter—the only daughter of Jen Parker, Josh's college sweetheart and the still the only girl he's ever loved. Trouble is, Jen Parker died last year, and now Molly has tracked down the father she never knew, the one her mother never wanted her to know about. Josh Cameron cares about two things only: himself, and basketball. The last thing this superstar wants or needs is a 12-year-old daughter. Yet this isn't just any 12-year-old. Mr. World Champion has finally met his match. "[T]his novel is . . . an enjoyable read with interesting peeks into the world of professional basketball. It will appeal to young teen sports enthusiasts as well as kids just looking for a good story." —VOYA

First published in 1985, Chester Liebs' *Main Street to Miracle Mile* established the twentieth-century roadside landscape as a subject for serious study. Liebs traces the transformation of commercial development as it has moved from centralized main streets, out along the street car lines, to form the "miracle miles" and shopping malls of today. He also explores the evolution of roadside buildings, from supermarkets and motels to automobile showrooms and drive-in theaters. Both an historical survey and invaluable guide for reading highway landscapes, this classic work--which has inspired numerous studies, museum exhibits, and preservation efforts--is now back in print with new commentary by the author.
