Books similar to Born Sinner (Se7en Sinners, #1)

Shelves: paranormal-angel, paranormal-romance, paranormal-fantasy, paranormal-demons 3.75 End of Eden is the second book in the Se7en Sinners series by S. L. Jennings. The first book, Born Sinner, left off with one hell of a cliffhanger, so to say I was highly anticipating this book would be an understatement.

End of Eden (Se7en Sinners, #2) by S.L. Jennings

Born Sinner starts off interesting enough. The reader is trying to figure out what is going on with Eden. However, the story falls apart as soon as she becomes one of the Seven. The biggest problem with this story is that there are too many characters introduced too fast.

Wicked Ruin (Se7en Sinners Book 3) S. L. Jennings

Twenty-two years ago, I was cut from a cold, sodden womb, and cradled in the filth and poverty of Chicago's concrete arms. Statistically, I wasn't supposed to survive these streets past the age of eighteen. Fate had a different plan. I was bred for one purpose and one purpose only: to unleash death and

Bookmark File PDF Born Sinner Se7en Sinners Book 1

destruction on my world. My thoughts are power. My words are weapons. Evil created me then grace tried to save me. But first... they tried to kill me. They call themselves the Se7en. They are sin and salvation, and everything we've feared from the beginning of time. And their leader is the deadliest of them all. He doesn't lose. He doesn't compromise. And most importantly, he doesn't distract himself with mortal weakness. Not until me. Kill one to save a million. That's what he told me when he took me as his prisoner. Kill one to save a million. That's what he's been trying to tell himself ever since he took me into his arms.

I thought I knew what Hell was like. I thought I had been living it all these years on Earth-abandoned, forgotten, and left with a dangerous secret that not only made me the Se7en's #1 target but also turned me into a deadly weapon, a threat to every human in my path. I was wrong. In order to survive Lucifer's plans for me, and his unquenchable thirst for more power, I have to surrender my humanity. I have to lose a part of myself in order to find my way back to him. Back to the demon who saved me, only to break me. Back to Legion. But even supreme evil has its limits, and the real foes never show their devastatingly beautiful faces. Forget fire and brimstone. They aren't shit compared to what's coming. Centuries-old bonds will be broken. Unlikely alliances will be forged. And innocent blood will be spilled. Blood that will stain my hands for the rest of my mortal days. I thought I knew what Hell was like. I was wrong. Hell is coming. Hell is just the beginning.

Vengeance is mine. Yesterday, I had the audacity to imagine a future. One that didn't include hunting demons hellbent on destroying humanity or being used as a pawn for my father's revenge. One comprised of a home and a family and all the things I'd longed for as a broken child. Then in the blink of

a silver speckled eye, my foolish hope was extinguished, and my world came crumbling down. We stood strong. We fought. We lost. I lost. Legion, the demon I dared to love, was gone. Now I'm going to tear myself in two and do the unthinkable to find him. I'm going to put my trust in his brother-his enemy-and make a deal with the Devil. And while his darkness and depravity echo mine, I know this won't end well for either of us. My body may survive, maybe even my soul. I can't promise the same for my heart. This time, I will not fail. I will not hesitate. And if it comes down to it, I'll be the weapon I was created to be. I will follow the code of the Se7en and do what I should have done when we had the chance. Kill one to save a million. Kill him to save the world.

The captivating third installment of the Se7en Sinners Series by New York Times Bestselling author, S.L. Jennings. They say you're never truly ready for Death until it's staring you down, its cold, bony fingers outstretched and scratching against your fragile mortality. I thought I was ready the day my own mother tried to kill me. Perhaps I was ready the moment I was born. But as I peer into the chilling void of Death, breath shallow and heartbeat sluggish, I know that it can't end like this. I was made for a purpose. And that purpose is Legion. Now that we're fighting the battle of our lives, a war that could eliminate mankind, I see that purpose as clear as the whorls of dark ink etched in his skin. Realms are colliding. Alliances are forming. And my heart is being torn in two. I know the code the Se7en live by. Kill one to save a million. But maybe it's not me who was meant to die. Maybe it's the man I thought I could save...the man who once saved me. The man I was created to kill.

LOVE. SEX. MAGIC. Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, both love and good sex were virtually a myth. And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and instantly become what she was destined to be? Lucky for Gabs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now. Dark Light, Book 1 of the Dark Light Series, is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-biting addiction for the man she can't deny, no matter the cost. *Contains strong adult content.

Tells the classic tale of ark and flood from the perspective of Noah's wife, a virtuous woman who overcomes adversity.

At first, Jean Suttman thought she had died and gone to Heaven when she was granted the opportunity to study in Rome. But the body that's lying in the ancient subterranean Temple of Mithra—the murdered corpse of a repulsive and disliked fellow student—isn't her idea of heavenly. Now she is truly frightened, not just because small "accidents" seem to be occurring around her with disturbing regularity. It's the ever-increasing certainty that someone, for some unknown reason, is ruthlessly determined to do her

Bookmark File PDF Born Sinner Se7en Sinners Book 1

harm. Jean's innocent underground excursion into a sacred pagan place has trapped her in something dark and terrifying, and even the knowledge that practical, perceptive fellow American Jacqueline Kirby is on the case won't ease her fears. Because there's only so far Jean Suttman can run . . . and no escape for her except death.

"Darkness isn't one shade, sweetheart." Three centuries ago, Molly Darling's ancestors signed a contract in blood-daemon blood-to protect themselves from harm. On the eve she turns nineteen, Molly leaves for her birthday party against her parent's wishes, sick of their warnings about her "betrothal to a demon." Except that she's very much betrothed, and he's very much a demon-one who's only agreed to the nuptials to use Molly's ancient daemon powers. Brash, arrogant, and built like a Greek god, Tensley Knight keeps showing up to save Molly from otherworldly attacks, only to insult her a moment later. As Molly learns more about the demon world, she realizes two things: that her family's safety depends on a successful marriage, while any chance of freedom she'll ever have calls for Tensley's demise. Yet sometimes Molly spots a tortured soul beyond those liquid grey eyes, and there's no denying the way her skin tingles when Tensley touches it. In *Vein of Love*, safety requires sacrifice, foe becomes lover, and one must decide whether to kiss...or to kill.
