Eva Devon's Must Love Rogues series got me hooked from the start. It mixed rare depth of characters with a unique and modern take of Shakesperean classics like Much Ado About Nothing, The Taming of the Shrew, etc. and however despicable the old Duke of Hart must have been, he managed to father a remarkable brood of intriguing men.

I really liked that Richard and Esme are older. You read so many books where the characters are 20 something that is nice to read about characters who know a little of life. The maturity of Richard and Esme made this book delightful. There are two scenarios in the book - sacrificing what the H/h feels is best for the other and friends to lovers.
