written by Jim Collins and Jerry I. Porras. It outlines the results of a six-year research project exploring what leads to enduringly great companies. The first edition of the book was published on October 26, 1994 by HarperBusiness.

Built to Last: Successful Habits of Visionary Companies ...

Built to Last is the thirteenth and final studio album by the Grateful Dead. It was recorded between February 1 and October 20, 1989, and originally released on October 31, 1989. The album was released on CD in 1989 by Arista Records before being rereleased in 2000 by BMG International.

Built to Last - Wikipedia

File Type PDF Built To Last

Built to Last is a very well researched and a convincing book that has definitely opened my mind to new ideas and thoughts about companies. Every chapter of the book is important. The authors have evidently shown visionary and comparison companies to show how the same idea may not still work if you don't have certain characteristics. The best and maybe the most scariest part is that there is ...
