The Folk-tales of Burma—An Introduction | hbrill

I've been deciding whether to buy this book and add it to my collection of folk tales from places I've traveled to. Thankfully, I've been able to borrow and read Khoreutees copy before making my decision—and the decision is yes, if just for the Introduction alone. The book provides a good collection of the Burmese folk tales, probably not available in such number or in English elsewhere.

Also, there is a large boulder on a rocky outcrop; this is called Hua Nai Raeng (Nai Raeng's head). Local legend has it that Nai Raeng's spirit still guards his treasure. Perhaps there's more than a grain of truth in folklore!... 6. The Malicious Daughter... Once, long ago, there was a couple who had three beautiful daughters.

THE MALICIOUS DAUGHTER

THE MALICIOUS DAUGHTER

THE MALICIOUS DAUGHTER

These moving stories speak to the rich mythology of the diverse peoples of Burma, the spirituality of humankind, and the profound social impact of Buddhist thought. Some are so strange they cannot be classified or identify a familiar moral, while others are reminiscent of European fairy tales, except that here monkeys, tigers, elephants, and crocodiles inhabited the fantastic lands instead of hedgehogs, donkeys, or geese. Their morals resemble those of the Brothers Grimm or Hans Christian Andersen, illustrating how all cultures draw on a universal wisdom to create their myths.

Burmese master silversmiths produced a magnificent body of work from the mid-19th to the early 20th centuries – the Burmese Silver Age. This aesthetic and functional work is characterized by a unique decorative style and superb technical artistry. Many of the artefacts are embellished with mysterious visual narratives drawn from ancient religious and mythological sources, communicating spiritual beliefs and values that resonate to this day. Burmese silverwork is a distinct and little-known genre of silver art. This book tackles this obscurity by illuminating and describing for the first time 100 Burmese silver artefacts in a stunning photographic gallery. This silverwork – from the Noble Silver Collection – represents some of the rarest and finest quality work from the Burmese Silver Age. The centrepiece gallery of silverwork masterpieces is bookended by two well-illustrated and informative chapters that provide readers with deeper insights into Burmese silverwork; a robust frame of reference chapter summarises the 2,000-year history and cultural tradition of Burmese silverwork; and a chapter following the gallery deciphers the complex and allegorical iconography of the decoration, which gives the reader a deeper appreciation of its religious and cultural meaning and origin. This book captures the great, almost mystical, allure of Burmese silverwork – from the sublime artistry of the decoration, to the extraordinary skill of the silversmith and the profound meaning and importance of the visual narratives. In doing so, Burmese Silver Art takes its place as a definitive reference work for any art historian, collector, expert, student, or general reader interested in this hitherto-overlooked body of noble art.

This comprehensive collection of folk hero tales builds on the success of the first edition by providing readers with expanded contextual information on story characters from the Americas to Zanzibar.
• Supplies entries on folk tale characters worldwide that identify related heroes and heroines and provide additional contextual information
• Features a geographical organization that enables readers to research a specific region's folk characters
• Provides an alphabetical index as well as an index of heroic character types to facilitate cross-cultural and historical comparisons
• Includes sidebars with passages from the folk tales, popular culture, and other items of interest

THE MALICIOUS DAUGHTER

THE MALICIOUS DAUGHTER

THE MALICIOUS DAUGHTER

The tales contained in this collection were first told in the dark decade of Burmese history (1876–85) during the coming event of the British conquest. The stories combine exotic background with strong details that offer the Western reader both a picture of Burma in the nineteenth century and an understanding of the basic good sense, gaiety, and gentleness of the Burmese people and the Buddhist clergy. The characters that appear in the book illustrate timeless truths about human nature, which today's reader can apply to existing people and situations. For the first time since the eleventh century the future of Burmese Buddhism became uncertain, and there was widespread fear, both in Upper Burma still under a Burmese king and in Lower Burma already under British rule, that the final fall of the Burmese kingdom would result in the total extinction of both the national religion and the Burmese way of life. Told with the purpose of allaying this anxiety and fear, these tales give a full and faithful résumé and appraisal of the position of Burmese Buddhism on the eve of the British conquest of 1886.

This handbook is the first in-depth overview of the fascinating world of Burmese folk-tales. Part one provides a wide-ranging and multi-disciplinary survey of folk-tale studies, together with a broad functional classification of Burma's tales. Part two presents, mostly for the first time in a European language, the categorized actual tales themselves. With commentaries on plots and cross-cultural motifs - past and present. With index, substantial bibliography, and suggestions for further research.

"Akashvani" (English) is a programme journal of ALL INDIA RADIO. it was formerly known as The Indian Listener.It used to serve the listener as a bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them,take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service,Bombay, started on 22 december, 1935 and was the successor to the Indian Radio Times in english, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio,New Delhi.In 1950,it was turned into a weekly journal. Later,The Indian Listener became "Akashvani" (English) in January 5, 1958. It was made a fortnightly again on July 1,1983.
