The tragic story of the friendship between two migrant workers, George and mentally retarded Lenny, and their dream of owning a farm

This book aims to guide readers to learn the necessary enterprise skills to create and run their own businesses. It provides not only a manual for business skills but also a step-by-step guide that will enable readers to successfully master, develop and run an enterprise. This one-stop manual offers a simple explanation of all the essential enterprise skills and learning resources needed for a theoretical understanding of the topic, as well as practical tips for the budding entrepreneur. A reader will particularly learn: □ The conceptual framework of enterprise functions. □ Skills, concepts and functions necessary to understand the enterprise. □ Tools necessary for assessing yourself as an entrepreneur. □ Steps essential for creating an enterprise, including developing a viable business concept, product-market fit and business model. □ Steps significant for running and growing an enterprise successfully. □ Tools for assessing the ability of your enterprise to grow.

GCSE Bitesize revision uses television, the Internet and books to help the reader improve on his or her GCSE grade. This is one in the series of booklets designed to help the reader revise in small sections and practise important examination skills. The resources can be used together or separately.

The following dissertation concerning the Trinity, as the reader ought to be informed, has been written in order to guard against the sophistries of those who disdain to begin with faith, and are deceived by a crude and perverse love of reason. Now one class of such men endeavor to transfer to things incorporeal and spiritual the ideas they have formed, whether through experience of the bodily senses, or by natural human wit and diligent quickness, or by the aid of art, from things corporeal; so as to seek to measure and conceive of the former by the latter. Aeterna Press

Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as The Strange Case of Jekyll Hyde, Dr Jekyll and Mr Hyde, or simply Jekyll & Hyde. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil. In this harrowing tale of good and evil, the mild-mannered Dr. Jekyll develops a potion that unleashes his secret, inner persona - the loathsome, twisted Mr. Hyde.
