youth. But this fact does not mean that there isn't a lot we do, regardless of age, to improve both mental and physical well-being as we age and best capture all of the advantages of growing older.

## ~~Top Ten Tips on Aging Well — Marc Agronin MD~~

The End of Old Age (January 16, 2018) By Marc E. Agronin MD.  
In The End of Old Age: Living a Longer, More Purposeful Life Dr. Agronin examines the way we talk about age and provides a new rubric for our conversations. Steering away from “Fountain of Youth” delusions, Dr. Agronin introduces two new topics: Age points, which “expose a gap between the challenges or demands of a life event and our existing strengths, values, skills, and connections...and make us into more developed and ...
