#1 New York Times Bestseller Oprah's Bookclub 2016 Selection "Riveting...a worthy investment...this book has real wisdom." □New York Times Book Review "A book with so much painful truth packed into its pages that every person who's ever married or plans to marry should really give it a read." □Chicago Tribune "Provocative....I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too." □Oprah Winfrey "This memoir isn't really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and...badass." □Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out□three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list□her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. Love Warrior is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another□and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true□true to themselves and to each other. Love Warrior is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

#1 NEW YORK TIMES BESTSELLER □ Over two million copies sold! □Packed with incredible insight about what it means to be a woman today.□Reese Witherspoon (Reese's Book Club x Hello Sunshine Book Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and □patron saint of female empowerment□ (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine □ The Washington Post □ Cosmopolitan □ Marie Claire □ Bloomberg □ Parade □ "Untamed will liberate women□emotionally, spiritually, and physically. It is phenomenal.□Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent□even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice□the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor

our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

This collection of short stories from the author of *Birds of a Lesser Paradise* depicts the forgotten lives of women who almost achieved fame and notoriety, including Lord Byron's illegitimate daughter, Oscar Wilde's niece and Edna St. Vincent Milay's sister. 30,000 first printing.

Based on her inspiring, viral 2018 commencement speech to Barnard College's graduates in New York City, New York Times bestselling author, two-time Olympic gold medalist and FIFA World Cup champion Abby Wambach delivers her empowering rally cry for women to unleash their individual power, unite with their pack, and emerge victorious together. Abby Wambach became a champion because of her incredible talent as a soccer player. She became an icon because of her remarkable wisdom as a leader. As the co-captain of the 2015 Women's World Cup Champion Team, she created a culture not just of excellence, but of honor, commitment, resilience, and sisterhood. She helped transform a group of individual women into one of the most successful, powerful and united Wolfpacks of all time. In her retirement, Abby's ready to do the same for her new team: All Women Everywhere. In Wolfpack, Abby's message to women is: We have never been Little Red Riding Hood. We Are the Wolves. We must wander off the path and blaze a new one: together. She insists that women must let go of old rules of leadership that neither include or serve them. She's created a new set of Wolfpack rules to help women unleash their individual power, unite with their Wolfpack, and change the landscape of their lives and world: from the family room to the board room to the White House. · Make failure your fuel: Transform failure to wisdom and power. · Lead from the bench: Lead from wherever you are. · Champion each other: Claim each woman's victory as your own. · Demand the effing ball: Don't ask permission: take what you've earned. In Abby's vision, we are not Little Red Riding Hoods, staying on the path because we're told to. We are the wolves, fighting for a better tomorrow for ourselves, our pack, and all the future wolves who will come after us.
