Three classic titles now in one volume! *The Genesis Trilogy* has long been awaited by fans of Madeleine L'Engle, who have expressed a desire to have all three of the authors books on Genesis in one volume. In addition to L'Engle's vast reader base, *The Genesis Trilogy* will be embraced by the literary community (which deeply respects L'Engle's award-winning work) and all those who seek to experience more fully the truths represented in Genesis. Book 1 of the trilogy, *And It Was Good*, speaks especially to those captivated by the creation story and those interested in new beginnings, while Book 2, *A Stone for a Pillow*, holds treasure for those seeking answers to the questions posed during their inner and outer journeys. Book 3, *Sold into Egypt*, provides hope to those who have experienced

grief and loss.

Book #2 of The Genesis Trilogy. This special reissue of a classic work of spirituality from the author of A Wrinkle in Time offers life-transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now. Includes a new reader's guide. In this book for the curious, spiritual seeker, Madeleine L'Engle offers relevant lessons drawn from the life of Jacob from the Old Testament. Here, the son of Isaac becomes a spiritual companion to L'Engle, equipping her to deal with earthly and psychological struggles. Throughout her journey, L'Engle offers contemporary answers to questions that burden modern day readers and believers. With her customary fearlessness and candor, she broaches such topics as the significance of angels, redemption, sexual identity, forgiveness, and the seemingly constant conflict between good and evil. Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants, including C. S. Lewis and George MacDonald. Her fictional stories appeal to generations of readers, and are equally embraced in both the secular and religious markets. But, it is her ability in her nonfiction to engage with the historical text of the Bible through a dynamic unpacking of protagonists, antagonists, and matters of faith that establishes the Genesis Trilogy as a highly treasured collection of spiritual writings. A Stone for a Pillow acts as a compass for those traveling through the tumultuous landscape of faith in our cynical and divisive modern culture.
