What are virtues? A Handbook and Clification... — By Christopher Peterson and Martin Seligman, this book belongs to the Family of Character Strengths Handbooks. It features the 24 character strengths, as well as 6 Clifications, a classification system created by Peterson and Seligman to group the strengths into clusters based on their shared characteristics. This book also includes a variety of other tools, such as a Clification survey and a Clification guide, to help readers understand and apply the science of character strengths.
