Cursillo Movement in America: Catholics, Protestants, and Fourth-Day Spirituality

What might happen if you gave just ONE PERCENT of your day to God? I don ' t have time to pray. I don ' t know how to pray. I don ' t know what to pray for. Perhaps you identify with one or all of these statements; most people do. But with Gary Jansen ' s The 15-Minute Prayer Solution, anyone can learn to turn those " I don ' t " statements into " I do " declarations— and be transformed in the process. Drawing on spiritual practices from the Christian tradition throughout the centuries, Jansen offers numerous and wide-ranging prayer exercises that can be completed in less than fifteen minutes. The Jesus Prayer, lectio divina, the Examen, imaginative prayer, and many more ways to joyfully encounter the Living God are explained. Deeply personal stories, thought provoking modern-day parables, and even humorous anecdotes bring spiritual ideas down to earth, revealing the practical side of prayer. And, as Jansen himself discovered, if you 're willing to take just fifteen minutes a day to pray, you may soon find that the entirety of your life has become a prayer, a relentless desire to place God at the center of everything. Now in paperback: Gary Jansen's bestselling Exercising Your Soul retitled, repackaged and revised!

How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples. These are times of immense challenge and immense opportunity for the Catholic Church. Consider these statistics for the United States. Only 30 percent of Americans who were raised Catholic are still practicing. Fully 10 percent of all adults in America are ex-Catholics. The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010. Only 60 percent of Catholics believe in a personal God. If the Church is to reverse these trends, the evangelizers must first be evangelized-in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of Forming Intentional Disciples, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within. Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity, charisms, and vocation that flow from that relationship for the sake of the Church and the world. Learn about the five thresholds of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and much more. And be prepared for conversion because when life at the parish level changes, the life of the whole Church will change.
