There's a little bit more information about the detectives and their work, as, well as a little more detail about the murders and their aftermath. But if you're looking for exclusive info or motives, Phelps just circles around them. There are a few standout chapters, particularly when Phelps elucidates the prosecution's closing statement at the end.

world, who became murderers.

## Cruel Death - M. William Phelps

M. William Phelps is one of my favorite TC authors. I like his style of writing and the way he pulls you into the story. He does a great job with Cruel Death and the crazy lovers known as B.J. and Erika Siffrit. Erika and B.J. land in a seaside town looking for fun, drugs and mayhem. They find all three and add murder to the mix.

Even seasoned true crime readers will be appalled at what follows as detailed by veteran true crime writer M. William Phelps in his latest book: Cruel Death. This 435 page book details a Navy SEAL's transformation into a cold-blooded killer, a college basketball player's fall from grace, and a father's determination to prove his little girl is not the monster everyone else knows her to be.

Benjamin was the first in his class with the SEALs. Both of them were very interesting people. And then you have a suggestion that something happened with the bodies. So, in that sense, as a lawyer, as a trial attorney, it was unique. I've had murder cases—a number of death penalty cases, in fact—but never with facts lining up like this."

Wilson's testimony could fit into either argument. The jury was not going to hear from Erika. The major concern for Erika's camp was that if she sat on the witness stand and supported the main theory Tuminelli and Ceraso had been laying out for the jury—that Erika had assisted BJ after the murders—there was the great potential the statement Erika had made to Carri Campbell was going to ...
