Matthew Arnold's significance is that he inaugurates a tradition, a particular way of seeing popular culture, a particular way of placing popular culture within the general field of culture. The tradition has come to be known as the 'culture and civilization' tradition. Leavisism is based on the assumption that 'culture has always been in minority keeping': Upon the minority depends people 's power of profiting by the finest human experience of the past; they keep alive the subtlest and ...
