Damien was the fifth book in the Slater Brothers series by LA Casey. I have loved everything about this series and I have been anxiously waiting Damien's story for several years. Damien Slater was the youngest Slater brother and the twin to Dominic (book one). As with his brothers, he was tall and gorgeous.

L.A. gave us the tragedy, the sexy, and the funny with Damien. I loved all 5 books, but this one made me laugh out loud. Damien should not be read as a stand-alone. To get the true history of the Slater brothers and get Damien's full story, all should be read in order: Dominic, Bronagh, Alec, Keela, Kane, Aideen, Ryder, Branna, Damien

This is the fifth book of the series, SLATER BROTHERS, and there's only two more left before it ends and it makes me sad because I'm going to miss them :(but I'm also happy that all of the Slater brothers get their women (all of them are stubborn and not afraid to put their men in their place when needed :)).

Aideen Collins is a free spirit. She is outspoken and tough as nails, but she has to be after growing up in a house full of men. Family means everything to Aideen. Her family consists of her four brothers, her father, and her group of wild friends. Aideen is protective of her family, there is not a lot she wouldn't do to keep them safe. Kane Slater is a tortured soul. Literally. He is misunderstood by people, even feared by them thanks to the scars that mar his face and body. He relishes in their fear because people who fear you, won't want to know you. He likes his circle limited to his brothers and their girlfriends, but a thorn from an Irish rose is dug deep into Kane's side, and her name is Aideen Collins. Aideen and Kane don't get along... at all. Aideen is the only woman who stands up to Kane and throws his bullshit back at him without fear of hurting him. Kane is the only man who can see right through Aideen's tough exterior. He knows her deepest, and darkest secrets. They can't stand each other, but they want each other. Badly. They hide their need behind arguments, and banter, but when Kane drops his guard for all to see, and succumbs to an illness within his body, it's Aideen who steps up to the plate to take care of him. An illness is the least of their worries when a devil from Kane's past comes back to play with him. Everybody in Kane's life is threatened, and with his body fighting against him, he doesn't know if the luck of the Irish is enough to keep his family safe and his demons at bay. Kane needs Aideen, and what Kane needs, Kane takes.

After a car accident killed her parents when she was a child, Bronagh Murphy chose to box herself off from people in an effort to keep herself from future hurt. If she doesn't befriend people, talk to them or acknowledge them in any way they leave her alone just like she wants. When Dominic Slater enters her life, ignoring him is all she has to do to get his attention. Dominic is used to attention, and when he and his brothers move to Dublin, Ireland for family business, he gets nothing but attention. Attention from everyone except the beautiful brunette with a sharp tongue. Dominic wants Bronagh and the only way he can get to her, is by dragging her from the boxed off corner she has herself trapped in the only way he knows how...by force. Dominic wants her, and what Dominic wants, Dominic gets. *Due to the violence, language, & sexual situations in this novel it is recommended for readers aged 18 & up.

*Alannah Ryan is plagued by an old face haunting her dreams, turning her waking hours into a mess of worry. Talking it out with the person she loves the most isn't a possibility, not when the same face haunts him, too. To protect the love of her life from another burden, she keeps her fear to herself, even as that fear begins to consume her. Damien Slater has the life he always wanted with the woman he adores by his side, but there's a problem. His woman is keeping a secret, and they swore they would never let another secret come between them again. Breaking Alannah's guard will be Damien's greatest challenge yet as he proves once and for all that he is in it for the long haul. Alannah admires Damien, and what Alannah admires, Alannah watches over.--Back cover.

Book #3.5 in the Slater Brothers series. Aideen Collins is fed up. She is at her wits' end with her eon long pregnancy, her new-found paranoia, but mostly she is fed up with her boyfriend's constant hovering and nit-picking. Kane Slater is happier than ever. He is about to become a father for the first time with the woman he loves. Little does he know that Aideen is both literally and figuratively a ticking time bomb. He just has to survive a few more weeks of murderous hormonal outbursts, and all will be well... or so he hopes. They're both caught up with the expected arrival of their little one, but in the back of their minds is a shadow that won't fade away. Neither of them talk about it, but the shadow's lingering presence casts doubt over their relationship. Big Phil worked his way into their minds many weeks ago and rooted himself as the haunting figure. Without even trying, he ruins things and causes problems. He watches them from afar, hoping he can break their family. Aideen's instincts to protect her own are stronger than ever. If Big Phil wants to hurt those dearest to her, he is going to have one hell of a fight on his hands. Aideen worships Kane, and what Aideen worships, Aideen shelters.

** SLATER BROTHER, #2 ** Keela Daley is the black sheep of her family. She has always come second to her younger cousin Micah. Even in the eyes of her mother, Micah shone bright, and Keela faded to black. Now, in adulthood, Micah is a bride-to-be and the spotlight is solely on her. Keela is a low priority...or so she thinks. Alec Slater is a bachelor, never one to bed the same woman, or man, twice. He is a free agent who does what he pleases and answers to no one; that is until a fiery Irish redhead with a temper to match her hair colour knocks him on his arse. Literally. She hates to admit it, but Keela needs a favour from the cocky Slater brother, a huge favour. She needs him to not only escort her to Micah's wedding, but to also pose as her boyfriend. Alec agrees to help Keela, but has certain conditions for her to abide by. He wants her body and plans to have it before anyone can say I do. What he doesn't plan on is losing his heart as well as the possibility of losing his family when someone from his past threatens his future. Alec owns Keela, and what Alec owns, Alec keeps.

Loyalty. Respect. Wit. Aggression. Heart. Each word describes the Slater brothers and how they were moulded into the men they are today ... but what did it take to get them where they are? Pain. Disregard. Fear. Anger. Love. Peeling back each layer to find the brothers' core means looking at their past to see how they got their future. From overcoming family feuds and breaking a warlord's hold on them to moving to another country and finding women who make their world spin. The Slater brothers idolise their women, and what the Slater brothers idolise, the Slater brothers guard.

** SLATER BROTHERS, #1.5 ** Bronagh Murphy has been through a lot over the past few years, a hell of a lot, so when her 21st birthday rolls around all she wants to do is relax and spend the day with her family. Quietly. Her boyfriend, Dominic Slater, doesn't do relaxed or quiet. He never has, and he never will. He plans out a day for Bronagh that is both romantic, and exciting. However, Dominic's version of exciting is very different to Bronagh's as she will soon find out. When things take a turn for the worst, and a bad altercation leaves Dominic once again fighting for his girl, Bronagh will have to decide once and for all if she will fight in Dominic's corner or walk away and never look back. Bronagh loves Dominic, and what Bronagh loves, Bronagh protects.
