It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one

volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say "give it to me" in five languages, and

Taken together, the stories in *The Best*
