In his groundbreaking book, *Disintegration*, Pulitzer-Prize winning columnist Eugene Robinson argues that over decades of desegregation, affirmative action, and immigration, the concept of Black America has shattered.

Disintegration: The Splintering of Black America: Amazon ...
- Chpt. 7 In his book, *Disintegration: The Splintering of Black America*, Pulitzer Prize winning journalist, Eugene Robinson, proposes that the once monolithic Black America has been fractionalized into four distinct groups: 1) The Abandoned. These are the marginalized, the poor, the working poor and the disenfranchised; think those trapped on rooftops during

Hurricane Katrina.

~~Disintegration: The Splintering of Black America by Eugene~~

...

He stresses that the “ disintegration ” of the African American community refers to the splintering of the once solid group into faction in terms of income and class and historical memory. As these elements move further and further away from one another, the result is an increased diversity where the term “ African American ” means less and less or to be more precise, needs to be rethought.
