NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY NPR • PBS • HARPER ' S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama ' s inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of " the Gardens, " a cloistered community in New York ' s Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden s ' world is their neighbor Ren é , an ambitious young filmmaker. Researching a movie about the Golden s, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie ' s triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make *Salman Rushdie* a force of light in our dark new age. Praise for *The Golden House* " [A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author ' s head. " —Associated Press " Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*. " —Poets & Writers " A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates. " —San Francisco Chronicle

FM 3-05.70 is the United States Army manual used to train survival techniques (formerly the FM 21-76). It is popular among survivalists and campers. The manual covers a variety of helpful topics such as planning, psychology of survival, emergency medicine, shelter construction, water procurement, firecraft, food procurement (hunting), identification of poisonous plants, and construction of field expedient weapons, tools and equipment.

Nominated for the Ottawa Book Award Stan is an intense sixteen-year-old loner who desperately wants to make the junior varsity basketball team. And it seems that he may be about to do so, until he ' s blindsided by the unexpected attentions of Janine Igwash. Suddenly Stan is no longer thinking about jump shots. Instead he is obsessed with Janine ' s spiky hair, her milky white shoulders and the mysterious little tattoo at the base of her neck, not to mention the heat of her breath, her dark eyes, wide hips and ... Then Stan ' s father arrives on the scene with Stan ' s four-year-old half brother, and things become truly insane. Tilt is a wonderfully droll and insightful story about a sensitive, intelligent and gently funny young man living through an impossibly absurd time of life. This book is a rare achievement -- a witty, sexy compulsively readable work of high literary quality.

Romain was born with a silver spoon in his mouth. At 18, he leaves his family for a home in the forest, learning to live off the land rather than his family's wealth. É l é na flees a house of blood and mayhem, taking refuge in a monastery and later in the rustic village of Rivi è re-aux-Oies. One day, while walking in the woods, É l é na hears the melody of a clarinet and comes across Romain, who calls himself Starling and whom É l é na later renames Douglas, for the strongest and most spectacular of trees. Later a child named Rose is born. Fade to black. When the story takes up again, Douglas has returned to the forest, Rose is in the village under the care of others, and É l é na is gone. From these disparate threads, Christine Eddie tenderly weaves a fable for our time and for all times. As the years pass, the story broadens to capture others in its elegant web — a doctor with a bruised heart, a pharmacist who may be a witch, and a teacher with dark secrets. Together they raise this child with the mysterious heritage, transforming this story into an ode to friendship and family, a sonnet on our relationship with nature, and an elegy to love and passion. The Douglas Notebooks was originally published in French as *Les carnets de Douglas*. This edition was translated by Sheila Fischman.

Globe & Mail Non-Fiction Bestseller Toronto Star Non-Fiction Bestseller The inside story of Tom Mulcair ' s rise from modest, middle-class beginnings to the threshold of power. He has been called the strongest Opposition leader in the television era; he was also known in Qu é bec as the provincial Opposition ' s " pit bull. " Here, in his own words, and for the first time, is the inside story of Tom Mulcair ' s rise from modest, middle-class beginnings to the threshold of power. Discover the man behind the headlines: who he is, how he thinks, and how he comes by the values that shaped his character. Unwavering in his convictions, he shares behind-the-scenes information on the reasons why he resigned as Qu é bec ' s minister of the environment under Charest; his decision to rejoin the New Democratic Party; and what it was like working closely with Jack Layton to help spearhead the " Orange Wave " that swept the NDP into power as the Official Opposition in the 2011 federal election. Alongside this, Mulcair also sheds light on such nation-defining events as past immigration and environmental policies, the Qu é bec Referendum, Native residential schools and the Truth and Reconciliation Commission, and the Harper government ' s Anti-Terrorism Act. In this book, Mulcair reveals his vision for the country, and his position on the issues that matter most — making *Strength of Conviction* an essential read for all Canadians with an interest in our nation ' s future.

Presents a collection of essays, newspaper columns, prefaces, and speeches published between 1998 and 2003.

Are risk-takers born or made? Why are some more willing to go out on a limb (so to speak) than others? How do we weigh the value of opportunities large or small that may have the potential to change the course of our lives? These are just a few of the questions that author Kayt Sukel tackles, applying the latest research in neuroscience and psychology to compelling real-world situations. Building on a portfolio of work that has appeared in such publications as *Scientific American*, *Atlantic Monthly*, *The Washington Post*, and more, Sukel offers an in-depth look at risk-taking and its role in the many facets of life that resonates on a personal level. Smart, progressive, and truly enlightening, *The Art of Risk* blends riveting case studies and hard-hitting science to explore risk-taking and how it impacts decision-making in work, play, love, and life, providing insight in understanding individual behavior and furthering personal success.

Singer-songwriter and front man of the great Canadian band Great Big Sea, Alan Doyle is also a lyrical storyteller and a creative force. In *Where I Belong*, Alan paints a vivid, raucous and heartwarming portrait of a curious young lad born into the small coastal fishing community of Petty Harbour, Newfoundland, and destined to become a renowned musician who carried the musical tradition of generations before him and brought his signature sound to the world.
