Dragon Strike has similar game play to Milton Bradley's HeroQuest. One player acts as the "Dragon Master" (i.e., the DM) and controls the placement, movement, and action of the villains. The rest of the players control one of five different hero types (Warrior, Wizard, Thief, Elf, or Dwarf) and attempt to complete various adventure goals.

The Dragon Strike is a Wonder Weapon that appears in the Call of Duty: Black Ops III Zombies map Gorod Krovi. The weapon works similarly to the G-Strike as it can be used to mark a certain location for the Dragons to fire at, whilst luring the Zombies into the location of attack. Obtaining the Dragon Strike

Although Dragon-Strike continues the legend of the brave Solamnic Knights of Ansa-lon, it is primarily a flight simulator —albeit a flight simulator with flying dragons, rather than the latest fighter jets in the U.S. Air Force. You play the role of a dragon pilot trainee, a lowly squire apprenticed to the Solamnic Order.

Description of DragonStrike Another excellent, largely unknown game from Westwood, this unique game is essentially a 3D (yes, 3D) dragon flight simulation: fight through progressively harder missions on dragonback, downing enemies with your dragon's deadly flames while avoiding theirs. Definitely fantasy flight sim at its best.
