Just as Jesus shows us the character of God, diving deeper into the events surrounding his birth gives us a better understanding of that character. Christmas is so much more than the holiday we've turned it into. It's the birth of a promise-God's promise to redeem humankind to himself. Sending Jesus was always God's plan, and there is something for us to learn in every detail surrounding his birth. Christmas Speaks is a simple yet perceptive devotional that's broken down into easily understood segments that weave together scripture and insight, giving the reader a deeper understanding of the vast love God has for us and how we should respond to that love. Each chapter examines a different aspect of the Christmas narrative. As we come to better know the people central to this story, we can begin to apply aspects of their character to our own lives for a more meaningful relationship with God. By coming to a deeper understanding of scripture, we can see how God speaks to the world-if we have ears to listen. Reflect on the words within these pages, and receive what the Holy Spirit has for you.

With no memory of the car accident itself, 17-year-old Mia must come to terms with never really knowing what happened one horrific winter's day that changed her life forever.

"Must be slim, able to stand for long periods of time, and be impervious to the cold." The headline caught my attention. "Hours are negotiable, pay is minimal, clothing absolutely forbidden." The second line piqued my curiosity. "Able to hold your bladder and tongue, refrain from opinions or suggestions, and be the perfect living canvas." The third made me scowl. "Other attributes required: non-ticklish, contortionist, and obedient. Must also enjoy being studied while naked in a crowd." The fourth made me shudder. "Call or email 'YOUR SKIN, HIS CANVAS' if interested in applying." The final made my heart race. I should've kept scrolling past the advertisement. I should've applied for the boring receptionist job at minimum wage. I should've clicked on any other job where I got to keep my clothes on. But I didn't. I applied. My interview is tomorrow...

The award-winning New York Times bestseller about the extraordinary things that can happen when we harness the power of both the brain and the heart. Growing up in the high desert of California, Jim Doty was poor, with an alcoholic father and a mother chronically depressed and paralyzed by a stroke. Today he is the director of the Center for Compassion and Altruism Research and Education (CCARE) at Stanford University, of which the Dalai Lama is a founding benefactor. But back then his life was at a dead end until at twelve he wandered into a magic shop looking for a plastic thumb. Instead he met Ruth, a woman who taught him a series of exercises to ease his own suffering and manifest his greatest desires. Her final mandate was that he keep his heart open and teach these techniques to others. She gave him his first glimpse of the unique relationship between the brain and the heart. Doty would go on to put Ruth's practices to work with extraordinary results—power and wealth that he could only imagine as a twelve-year-old, riding his orange Sting-Ray bike. But he neglects Ruth's most important lesson, to keep his heart open, with disastrous results—until he has the opportunity to make a spectacular charitable contribution that will virtually ruin him. Part memoir, part science, part inspiration, and part practical instruction, *Into the Magic Shop* shows us how we can fundamentally change our lives by first changing our brains and our hearts.
