Medieval England By the start of the 14th century the structure of most English towns had changed considerably since the Norman conquest. A number of towns were granted market status and had grown around local trades. Also notable is the reduction in importance of Winchester, the Anglo-Saxon capital city of Wessex.

The research uncovers a myriad of different medieval ports within and around England and Wales. Some are still familiar to us today, such as Southampton, Falmouth, Cardiff and Liverpool. However, the records also highlight a number of places which were once thriving ports, but now little known or more familiar for other activities.

England in the Middle Ages - Wikipedia

An Introduction to Early Medieval England (C.410–1066) The six and a half centuries between the end of Roman rule and the Norman Conquest are among the most important in English history. This long period is also one of the most challenging to understand – which is why it has traditionally been labelled the ‘Dark Ages’.

An Introduction to Early Medieval

England | English Heritage

Life in a medieval town A medieval town would seek a charter giving it the right to become a borough. The rich merchants would then be allowed to choose a mayor and hold a market. Houses were made...

Canterbury (/ ˈk æ n t ʔ b r i / ()), /-b ʔ r i /) is a cathedral city and UNESCO World Heritage Site, situated in the heart of the City of Canterbury, a local government district of Kent, England. It lies on the River Stour.. The Archbishop of Canterbury is the primate of the Church of England and the worldwide Anglican Communion owing to the importance of St Augustine, who served as the ...

Canterbury - Wikipedia

Beginning with the decline of towns in the fourth and fifth centuries, Crabtree then details the origins and development of towns in Britain from the 7th century through the Norman Conquest in the mid-eleventh century CE. She also sets the development of early medieval urbanism in Britain within a broader, comparative framework.

Early Medieval Britain by Pam J.
Crabtree

This book focuses on what archaeology can tell us about the development of towns in early medieval Britain. Beginning with the decline of many Roman towns in the fourth and fifth centuries, the book examines the conditions that led to the development of new Anglo-Saxon towns between the seventh and eleventh centuries CE.
