A complete introduction to origami paper folding for beginners at an unbeatable price! Easy Origami for Beginners is the ideal beginner's introduction to the magic of origami. This value-packed collection shows you how to fold the 20 most popular origami models that everyone loves to make. It is fully illustrated in color with simple and clear step-by-step instructions for each model. Included are the following delightful projects: A Picture Frame — a useful and inexpensive way to display your favorite family photos A Mother Duck and Duckling —an adorable duck and duckling pair that requires only one sheet of paper! A Hibiscus Blossom — one of two "modular" designs in the book that use several folded sheets to form a blossom that looks complicated (but isn't!) The Dart Glider — a classic paper airplane that's fun to fold, but even more fun to fly! An Inflatable Bunny Balloon — the most challenging (and rewarding!) model in the book...a puff of air makes it 3D! And many more! The clear, colorful instructions in this book make it easy to create amazing paper models without any previous paper-folding experience. Perfect for adults or kids, and the ideal gift for someone who would like to try their hand at the traditional Japanese art of origami!

This fun and creative origami kit for children aged 5-7 features 20 fascinating projects and 100 sheets of quality origami paper for hours of folding fun. Fold lines are printed right on the illustrations, and each activity includes a QR code link to a video tutorial.

Fun and Simple Origami teaches how to fold a large collection of easy models. Many are traditional and a few are created by John Montroll. Clear step-by-step instructions show how to fold 101 models in categories of birds, fish, animals, boats, boxes, hats, and more. Models include a Flying Bird, Chinese Fishing Boat, Pagoda, Fancy Box, Kimonos, King's Crown, and many other favorites. Each model is folded from a single square sheet. The boxes are fun to fold and have surprise endings when they open and become three-dimensional. Boats are interesting because of their clever designs. Hats make good projects at children's parties. You can make scenes of birds, fish, stars, and more. This collection is perfect for children, art teachers, and anyone who wishes to expand their repertoire.
