This book provides an internationally accepted conceptual framework for statebuilding, informed by today 's realities of conflict-affected and fragile situations.

Based on comparative case studies of Afghanistan, Bolivia, Democratic Republic of Congo, Nepal, Rwanda, and Sierra Leone, this book addresses how the interventions of OECD countries may risk undermining positive statebuilding processes, and makes recommendations as to how this may be avoided.

The guidance presented in this book provides step-by-step guidance on the core steps in planning, carrying out and learning from evaluation, as well as some basic principles on programme design and management.

Three years into the 2030 Agenda it is already apparent that those living in fragile contexts are the furthest behind. Not all forms of fragility make it to the public 's eye: fragility is an intricate beast, sometimes exposed, often lurking underneath, but always holding progress back. Conflict ...

State legitimacy matters because it transforms power into authority and provides the basis for rule by consent, rather than by coercion. In fragile situations, a lack of legitimacy undermines constructive relations between the state and society, and ...

This edition explores the potential of networks and partnerships to create incentives for responsible action, as well as innovative, fit-for-purpose ways of co-ordinating the activities of diverse stakeholders. It looks at a number of existing partnerships and provides practical guidance.

This volume presents clear policy recommendations for better practice in order to improve the speed, flexibility, predictability and risk management of international support during post-conflict transition.

Based on comparative case studies of Afghanistan, Bolivia, Democratic Republic of Congo, Nepal, Rwanda, and Sierra Leone, this book addresses how the interventions of OECD countries may risk undermining positive statebuilding processes, and makes recommendations as to how this may be avoided.

Developing countries want to join in the globalisation process. However, the increasing complexity of global markets, the new challenges of the multilateral trading system and the competing demands of regional, bilateral and multilateral trade agreemen

This publication provides an overview of the key issues, challenges and opportunities for ensuring more systematic consideration of gender issues in statebuilding in fragile and conflict-affected countries.
