What would you do if you were launched thousands of years back into Florida's prehistoric era? What would it look like? How would you feel? And how would you return home? Bling! Bling! JJ, Isabella, and Zeke enter a contest at old Fort DeSoto. Their mission is to answer history clues written on a Letter of Marque. But when JJ finds an old Spanish doubloon, the trio is mysteriously lanuched backward in time. Startled, yet quite curious, the teenagers begin their journey home by following the distant lighthouse on neighboring Egmont Key. Crossing the Egmont Passage, however, won't be that easy. The teens must avoid the Tocobaga Indians and the Spanish Fleet, face a crew of drunken pirates, and weather the storm of a major hurricane. And if they are to return safely to present-day Florida, JJ, Isabella, and Zeke must learn that trust is their most important weapon against the unknown dangers of the passage. Set on the subtropical islands that lay between Tampa Bay and the Gulf of Mexico, Egmont Passage: Tale of the Seventh Mystery explores Florida's rich past as the teenagers uncover the mysteries on their journey. It is an enchanting and inspiring story that leaves you believing anything is possible on the Egmont Passage. To read a review of this book, please visit <http://www.isladelsolnews.com/history.html>

The Velveteen Rabbit is not a 'real' rabbit, like the rabbits he meets in the forest. He has seams and is full of stuffing. Still, the Velveteen Rabbit doesn't mind as long as the boy who owns him loves him. One of the rabbit's friends tells him that a toy becomes real if its owner truly loves it. But when the boy leaves home to recover from an illness and is forced to leave his Velveteen Rabbit behind, what will become of his beloved toy? The Velveteen Rabbit (or How Toys Become Real) is a children's book written by Margery Williams (also known as Margery Williams Bianco) and illustrated by William Nicholson. It chronicles the story of a stuffed rabbit and his desire to become real, through the love of his owner. The book was first published in 1922 and has been republished many times since. The Velveteen Rabbit was Williams' first children's book. It has been awarded the IRA/CBC Children's Choice award. Get Your Copy Now.

The Sahar Peninsula lies just beyond the horizon, but it isn't the easiest place to get to. No maps will take you there, nor can it be charted by gazing up at the stars, or down at a compass... A magical new middle grade series from a rising star author, inspired by Arabian Nights.

A strange little man helps the miller's daughter spin straw into gold for the king on the condition that she will give him her first-born child.

Penelope Kingston tries to convince the new girl in town to become her best friend in this charming start to the brand-new Penelope Perfect chapter book series. Penelope Kingston wants to be perfect. And most of the time she is good, sensible, and calm. But then sometimes Penelope is bossy, angry, and frustrated. She is never quite sure which side of her personality is going to be stronger on any given day. But there's one part of her life that is definitely not perfect: she doesn't have a best friend. It is time for Penelope to get a best friend of her own. But it isn't easy finding a best friend, and it definitely isn't easy trying to be perfect all of the time. Penelope learns that sometimes the best idea is to forget to try!
