Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

Though the cases in *Cases in Competitive Strategy* may be informative when studied on their own, they are designed to be read and analyzed in combination with the companion volume, *Competitive Strategy*. The conceptual materials and the cases are designed to reinforce each other, showing the connection between the theory and the practice of competitive strategy formulation.

The Manuals include information on syllabus, regulations, copies of examination papers and notes by examiners. They also include pass lists.
