Elementary Statistics 9th Edition -
amazon.com

Reviewed in the United States on January 31, 2017. Verified Purchase. Elementary Statistics (9th Edition) does a poor job of showing examples of how to solve certain types of problems addressed later in quizzes, exams based off the books. Good luck getting the necessary materials to get a relatively good grade in your statistics course with this book alone; you're better off looking up examples off Google or alternative resources for free.
