Gonzalez-Mena, Author of *Infants, Toddlers, and Caregivers* and *Dragon Mom* ""Magda Gerber's approach will deepen your understanding of your baby and help you truly appreciate the complexity, competence, and amazing capacities of the small human being for whom you are caring."" --Jeree H. Pawl, Ph.D. Director, Infant-Parent Program University of California, San Francisco, School of Medicine As the founder of Resources for Infant Educators (RIE), Magda Gerber has spent decades helping new mothers and fathers give their children the best possible start in life. Her successful parenting approach harnesses the power of this basic fact: Your baby is unique and will grow in confidence if allowed to develop at his or her own pace. The key to successful parenting is learning to observe your child and to trust him or her to be an initiator, an explorer, a self-learner with an individual style of

problem solving and mastery. Now you can discover the acclaimed RIE approach. This practical and enlightening guide will help you: Develop your own observational skills Learn when to intervene with your baby and when not to Find ways to connect with your baby through daily caregiving routines such as feeding, diapering, and bathing Effectively handle common problems such as crying, discipline, sleep issues, toilet training, and much more.

Raise self-confident, self-reliant children using the RIE (Resources for Infant Educarers) Approach. Your baby knows more than you think. That's the heart of the principles and teachings of Magda Gerber, founder of RIE (Resources for Infant Educarers), and Educaring. Baby Knows Best is based on Gerber's belief in babies' natural abilities to develop at their own pace, without coaxing from

helicoptering or hovering parents. The Educaring Approach helps parents see their infants as competent people with a growing ability to communicate, problem-solve, and self-soothe. *Baby Knows Best* is a comprehensive resource that shows parents how to respond to their babies' cues and signals; how to develop healthy sleep habits; why babies need uninterrupted playtime; and how to set clear, consistent limits. The result? More relaxed parents and more confident, self-reliant children.

Informative, inspiring, and enlightening, *Becoming the Parent You Want to Be* provides parents with the building blocks they need to discover their own parenting philosophy and develop effective parenting strategies. Through in-depth information, practical suggestions, and many lively first-person stories, the authors address

the many dilemmas and joys that the parent of young children encounter and demonstrate a range of solutions to the major issues that arise in the raising of babies, toddlers and preschoolers. Full of warmth, clarity, humor, and respect, *Becoming the Parent You Want to Be* gives parents permission to be human: to question, to learn, to make mistakes, to struggle and to grow, and, most of all, to have fun with their children.

Human beings can relate to one another with either mutual respect and freedom or mutual attempts to control and force. Objectivists idealize the former; most of America practices the latter. Though Objectivists are fundamentally against relating to their fellow
